JOSEPH LIPPINCOTT. WM. C. BARR.
LIPPINCOTT & BARR,
(LATE J. S. SPRACKEN & CO.)
Manufacturers of Phœnix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 22, 1845, the undersigned were called upon by Messrs. Lupi cent & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; where quarter past 3 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money all saved. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can freely say there was no humbug about it, and with pleasure recommend them to the public as being, in my judgment, entirely fire proof.
WM. RAYE.
In calling upon the above gentlemen for their signatures, they r lspoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.

DR. JAYNE'S FAMILY MEDICINES.—Extract of a letter from the Rev. E. L. ABBOTT, a well-known and highly esteemed Missionary in the kingdom of Burmah, dated Sandoway Arracan, February, 1846:
Dr. D. Jayne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable Medicine in this country in Bowel Complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to act like a charm. Your SANATIVE PILLS are my Sheet Anchor. The best medicine for my Liver Complaint and pain in the side, that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a sure remedy for INTERMITTENT FEVER, with the most complete success. I think it was once the means of saving my own son. During my travels among the churches the past season, I found a whole village suffering under a prevailing Influenza, attended with Coughs of a most violent character. I often regretted I had not had a dozen or two of YOUR EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions. Affectionately yours, E. L. ABBOTT.
