Drugs and Medicines.

Coughs and Colds Cured in 48 Hours.

SINCE the introduction of this new compound, Coughs and colds are cured in a very short time. We will warrant Dr. Keyser's Pectoral Syrup to cure cases of Coughs, Colds, Bronchitis, Laingitis, in less time and at a cheaper rate than any other medicine ever discovered.
IT HAS AN ENTIRELY NEW ACTION—The old Cough Medicines always sicken the stomach and produce nausea which is more disagreeable than the Cough itself. This is obviated in this mixture, for it is a pleasant soothing article and it will cure, *or the money will be refunded!* The evidence in favor of this medicine in our city, from our own citizens, should convince any one of its efficacy. It is the prescription of a regular physician, and has been used by him in his own practice for a number of years, with the most heroic success.
CONSUMPTION—A lady from Steubenville writes, that her daughter had been afflicted with a Cough and expectoration, night sweats, hectic fever, and all the distressing symptoms of consumption, and that after taking two bottles she was entirely cured. A gentleman in Washington county, who had suffered with Asthma and Chronic Cough for eight years, has been entirely relieved and the cough removed by the use of half a dozen of bottles of the Pectoral Syrup. A gentleman from Peoria, Illinois, writes that "he knows the Pectoral Syrup to be a good article, for he has used it in his own case and in the cases of members of his family with the most perfect success."
IT IS ONE OF THE CHEAPEST MEDICINES NOW KNOWN.—It is put up in half pint bottles at 50 cents each, or six bottles for $2,50.
Country Storekeepers would do well to keep a supply of this medicine on hand all the time, as it is one of the most perfect and efficacious remedies ever discovered for all coughs and diseases of the lungs and incipient *Consumption.*
CAUTION EXTRA—Many persons will try to get you to buy some one of the various nostrums, but do not heed them. If you want to get well, buy Dr. Keyser's Pectoral Syrup, and take no other; this will cure you. It has in it some of the most valuable plants and herbs of the materia medica, and is compounded by a person skilled in the healing art. There can be no deception in this medicine. It is prepared in your own city, and the proprietor has numerous certificates, attesting its valuable properties, which will be shown to any person desirous of seeing them.
Agents Wanted throughout the United States to sell this medicine. Large discounts will be made to those who will take an interest in the medicine. It will pay a large profit to all agents; besides, they will be doing suffering humanity a service by placing in their hands the greatest medicine for Lung diseases the world has ever produced.
For sale, wholesale and retail, by KEYSER & M'DOWELL, Druggists, 140 Wood street, Pittsburgh, Pa., to whom all letters for agencies must be addressed.—Also, for sale by D. M. Curry, Allegheny city; P. Brockett, jr., Brownsville; George Baird, Washington; John H. Buchanan, Hickory; George Keyser, M'Keesport; J. D. Vowell, Canonsburgh; and by merchants and druggists generally. [ja25

Public Attention

Is respectfully invited to the following truths, set forth in relation to one of the most important Remedies of modern times!

PETROLEUM OR ROCK OIL;

IT is not more than one year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we allege that the longer it is tried the more certain will its great fame spread. It is not the remedy of a day, got up for the sole purpose of making money; but, one, which we conceive, will continue to be used when all nostrums have been forgotten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write truth—that we say nothing calculated to deceive those who may trust our word or put confidence in our statements. The sick are very apt to catch at any thing that promises relief from disease. A story can hardly be too highly wrought to answer the object of gulling or humbugging some of them. Now, we do not desire to do this; we are anxious only that the truth in relation to our Remedy should be told, in order to secure for it a reputation far exceeding any single article of the materia medica. Plain, unvarnished facts—facts that may be ascertained in our own city and neighborhood, bear ample testimony in favor of the Petroleum.
Within the past two months, two of our own citizens, who were *totally blind*, have been restored to sight. Several cases of blindness, in the State of Ohio, have been cured. And, also, the case of a gentleman in Beaver county. There are others; but these cases are near home, and may be referred to by any persons who may have doubts on the subject. These cases were cured after they had been abandoned by physicians as hopeless. The Petroleum will cure, when used according to directions—Diarrhea, Dysentery, Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the face, Chronic Sore Eyes, Ringworm, Tetter, Scald Head, pains in the bones and joints, old sores, Ulcers, Wens, Tumors, Scrofula, Cancer, Spinal irritation, Fever and Ague, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections of a chronic nature, tending to produce CONSUMPTION.
Burns and Scalds, diseases of the Bladder and Kidneys, Chapped Hands, Excoriated Nipples, Corns and Bunions. In fact, it is a great universal remedy, and has been tried in most of the above diseases within the past year with the most perfect success. Certificates that will astonish are in the hands of the proprietor, who will take pleasure in showing them to the afflicted or their friends.
Whatever others may say about their medicines, the Petroleum is the greatest Remedy of the age. Physicians of high standing in the profession are beginning to use it in their practice. Those who at first looked on with doubt and uncertainty, are willing to award it due praise and consideration. Before another year rolls round, all will be compelled to acknowledge that the Petroleum is the greatest medicine ever discovered.
For sale, Wholesale and Retail, by KEYSER & M'DOWELL, 140 Wood street.
Also—R. E. Sellers, 57 Wood street; D. M. Curry, D. A. Elliott, Joseph Douglass, Allegheny City. Also, by the Proprietor, S. M. KIER, Canal Basin, 7th street, Pittsburgh. [ja8

ANOTHER SCIENTIFIC WONDER!
PEPSIN!
THE TRUE DIGESTIVE FLUID,
Or Gastric Juice!
A GREAT DYSPEPSIA CURER,

PREPARED from Rennet, or the fourth stomach of the Ox, after directions by Baron Liebig, the great Physiological Chemist, by J. S. HOUGHTON, M.D., No. 11, North Eighth street, Philadelphia, Pa.
This is a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, CONSTIPATION, LIVER COMPLAINT, and DEBILITY*, curing after Nature's own method, by Nature's own agent, the Gastric Juice.
Half a teaspoonfull of this Fluid, infused in water, will digest or dissolve Five Pounds of Roast Beef in about two hours, out of the stomach.

SCIENTIFIC EVIDENCE!

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be so softened, changed and digested, just in the same manner as they would be in the human stomach."
Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowlers & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.
Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successful."
Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."
Dr. Simon's great work, the "Chemistry of Man," (Lea & Blanchard, Phila., 1846, pp. 321-2) says: "The discovery of PEPSIN forms a new era in the chemical history of Digestion. From recent experiments we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."
Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

AS A DYSPEPSIA CURER,

Dr. Houghton's preparation of PEPSIN has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.
It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once.—No matter how bad they may be, it GIVES INSTANT RELIEF! *A single dose removes all the unpleasant symptoms*, and it only needs to be repeated, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY, follow at once. Philosophy of Brandreth's Vegetable Pills.

WHEN the theory of the circulation of the blood was established, the secret springs of vitality were then partially exposed to our view. We saw and understood that the food we eat, was converted into blood, which repaired the waste of the animal machine; the food is fuel, which keeps at a life heat the internal fires that warm and invigorate our inner man. The blood is an electric fluid which carries this heat to every ramification of the body, even to the extremities of the hair and horny nail. While the blood is thus the seat of life, it is also the seat of disease. Food gives the body strength; Brandreth's pills give blood the necessary power to throw out from itself all impurities, thus rendering the stream of life pure and healthy. If men were more sincere, there would be fewer religious creeds; and if they kept close to nature's laws in the management of their bodies, they would require little medicine. As men grow intelligent they will become wiser and happier; even now, their wisdom is proved by the fact that, when sickness assails them, they use Brandreth's Vegetable Universal Pills, which soon restore them to health. They are peculiarly adapted to the climate, and require no extra care when they are used, in either diet or clothing. They should be always in the house, so that upon the first indication of sickness they may be used. One dose in the beginning is more potent for good, than a dozen after the sickness is fixed in the system. In colds, coughs, asthma, rheumatism, costiveness, fevers, and in all acute, heavy or deep-seated pains, their effects will be found beyond all praise. Three or five will act like a charm, often curing a dangerous malady at once, saving months of sickness and the evils thereunto attending. Remember, Brandreth's Pills are a known and fully tested medicine, one that is used by hundreds of thousands in this country and throughout the civilized world. They are quietly superseding all other medicines. They take out only that from the blood which is the cause of weakness and pain, leaving strength and health; they produce healthy sleep at night, and an appetite that relishes all kinds of food.
Sold at No. 29 Diamond alley—the only place in Pittsburgh where the genuine Brandreth Pills are kept for sale—the undersigned is the only agent in the city.

Clothing! Clothing!
THREE BIG DOORS!
JOHN M'CLOSKEY,
Wholesale and Retail Dealer in Clothing, 151 Liberty st. Pittsburgh, Pa.

MY stock of Fall and Winter Clothing is now ready, amounting to upwards of $100,000, which I think will be found to by one of the choicest selections of garments ever got up in this or any other city in the Western country.
My purchases having been all made early, I have therefore avoided the late advances made in almost all descriptions of Woollen Goods, and am therefore enabled to offer my stock at unusually low prices.
I have this season paid more than usual attention to the manufacturing and style of my garments, so that the very lowest priced as well as the finest are got up in a style and elegance not to be surpassed. Hundreds of new customers, both wholesale and retail, have been attracted as much by the superior make of the clothing as by the lowness of my prices.
The proprietor would particularly call the attention of all dealers in Clothing to his present stock, believing that upon examination of the quality and prices of his Goods they will be induced to purchase at his establishment. The wholesale room now contains upwards of 2,000 garments, from the finest in quality to the lowest in price.
The proprietor is now determined to make this department a point of great attraction, and with this view has constantly on hand a large quantity of goods suited to every section of the United States.
In the cutting department will always be found a very large selection of all the choicest makes of Cloths, Cassimeres and Silks, to be found in this or eastern markets. He is prepared to make cloths to order in the shortest notice in the latest and most fashionable styles.
He respectfully invites his old friends and customers, as well as the public in general, to call and examine for themselves. [oct13

Miscellaneous.

"Snider's" Wine Store.
76 WALNUT STREET, PHILADELPHIA,

THE UNRIVALLED PLACE for obtaining all Wines, Liquors, &c., GOOD and CHEAP.
"SNIDER" has lately—in consequence of the numerous large sales made by him to consumers—been obliged largely to replenish his stock by fresh importations, and he has now the satisfaction of offering some of the best Wines and Liquors ever imported by him. He would refer to some invoices as follows—viz:
DUFF, GORDON & CO. SHERRIES—embracing delicate Pale at very low prices, rare old, and some very choice MANZANILLA, all on draught by the gallon.—Also, rare old delicate AMONTILLADO, in casks of 16 gallons *specially selected* for consumers. Some EXTRA AMONTILLADO in bottles, put up in Europe, which he *challenges* as equal to any that can be produced.
. The MANZANILLA and AMONTILLADO Sherries are peculiarly adapted to convalescents, as they strengthen without stimulating, and have not the acid of many other Wines.
PORT WINES—principally selected for his sales to consumers from the stock of "BURMESTER'S," at Oporto, and imported direct.
These Wines are fruity and delicate, and have been highly approved by his customers, because of their manifest superiority over all other Ports and Red Wines palmed off as such.
They are of various sorts and prices, in bottles and on draught by the gallon, or wholesale by the cask. Among them is some rare delicate WHITE PORT and MALMSEY PORT.
. Persons suffering with chronic affection of the bowels cannot be too careful in their PORT.
MADEIRA WINES of various sorts, dry and rich, South Side, old East and West India, Sercial, &c., &c. on draught, in bottles and by casks.
As to the SPARKLED WINES of the subscriber, it is well known that the MOET EXTRA CHAMPAGNE and the splendid SPARKLING MOSELLE, imported by him are superior to any other Wines; and are sold at prices as low as most of the inferior wines now in the market which are put upon buyers as *first class.*
He has also CHAMPAGNE WINES of various brands and qualities, at very low prices, retail or wholesale. In the article of CLARET WINES, generally, the subscriber holds himself to be a judge, and he offers the finest stock here, from the very lowest price, by the single dozen, to the first class or "*premier cru*" of Medoc.
Of BURGUNDY WINES he has a large stock and can assure customers that he can present to them, from his vaults, as good a bottle of Burgundy as France affords.
SAUTERNE and BARSAC always on hand in bottles.
His selection of RHINE and MOSELLE WINES, from the cellars of Messrs. Deinhard & Jordan, of Coblens, are extensive, and number many Still Hocks and Moselle, from the cheapest sorts to the very choicest vintages of the "STEINBERG," which is the best growth of the Rhine.
In the articles of COGNAC and other BRANDIES he has now a fine stock, embracing some very old extra of 1800, of Otard, Dupuy & Co., and some celebrated "CLAVIER of 1831," in eighth casks, and 1842 in hhds. and "DUBOUCHE," 1844, in hhds. *on consignment*, which will be sold low.
Also—IRISH, SCOTCH and MONONGAHELA WHISKEY, JAMAICA SPIRITS, PRESERVING BRANDY and all other Wines and Liquors, including all of the above, SOLD by RETAIL TO CONSUMERS in any quantity desired.
A constant assorted stock of HAVANA SEGARS.
. *All Goods delivered, within one day's reach of Philadelphia*, freight paid. Orders will be promptly executed if sent by mail or telegraph.

The Faculties, for intellectual abilities, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The Medical Faculty constitutes an anomaly in this or any other country—all of them are able Lecturers and the best of Teachers.
Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eligibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that *any other city has more.*
The first class of the Law and Medical Departments of this Institute were small, but the gentlemen composing them are talented and in the highest degree respectable—a favorable omen for the future prosperity of the Institute.
That the public may be satisfied of the permanency of this school, we feel it our duty to state, that the Trustees and Faculty form a *unit* in action, which augurs well for its future success; and that the peculiar internal organization which connects them, cannot be interupted.

Insurance Companies.

State Mutual Fire Insurance Company
BRANCH OFFICE, 54 SMITHFIELD ST., PITTSBURGH, *January 1st, 1851.*

THE best evidence of the success of the Directors in endeavoring to make the "STATE MUTUAL FIRE INSURANCE COMPANY" meet the wants of the community, is the unparalleled amount of business which has been done—having issued nearly 4,000 Policies in a little more than seven months; and adding over $70,000 capital to the company. The Directors are proud to say, that nearly all the property insured is of the safest kind, in small risks, and a large proportion insured for only one year.

Number of Policies issued		3,953
Amount of property insured		$4,073,568 00
Amount of guarantee premiums	$45,496 38	
Amount of cash premiums	24,631,80	
Amount of guarantee stock		$ 70,128 18
Amount of losses		$ 3,800 00

To be deducted from the above the incidental expenses of the office.
To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety and security, inferior to no Insurance Company in this country.
Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also, on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.
It is under the control of the following Directors:—J. P. Rutherford, A. J. Gillett, John B. Packer, Samuel T. Jones, Alonzo A. Carrier, Philo C. Sedgwick, Robert Klotz.
J. A. RUTHERFORD, Pres't.
A. J. GILLETT, Sec'y.

SAFETY, PERPETUITY AND SECURITY.
THE NATIONAL LOAN FUND
LIFE INSURANCE SOCIETY
OF
LONDON AND NEW-YORK.
Capital, £500,000—Equal to $2,500,000.

WITH a large *surplus* of profits. A portion of both capital and surplus invested in U. S. Government Stocks, and other securities in the City of New York.
Policies held in this country over 6,000. Persons insuring participate in the profits of the Company.
California risks taken at reduced rates.
Among the advantages of a Policy in this Company are the following:—
A party insured for the whole term of life may *at any time borrow one-half* the amount of annual premium, without note or security, or deposit of policy, and is entitled to division of profits.
He may at any time surrender his policy, and receive back as value thereof one-half the gross sum paid by him in annual common premiums.
A party already insured for whole life may, on payment of a small sum, convert his insurance into a new policy upon the loan system now introduced.
Parties already insured and entitled to a *two-third* loan, if they are not shut out from said two-third loan, if they prefer it, upon the terms stated in the Society's pamphlets.
A party may, at a moderate annual premium, insure for life, and if he survive to reach the age of 60 years, the *full sum insured up to $15,000, will be paid to him*: or if he dies before reaching that age, the full sum insured will be paid to his family or legal representatives.
It has become customary in the Atlantic cities for congregations to insure the lives of their Pastors, and on Christmas or New Year's day to make the family a present of the policy. This is certainly an excellent way of showing their regard for their Minister, whose salary in very many cases is scarcely equal to his immediate wants. To the man of family, at his death, it is a consolation beyond expression to know that his helpless little ones are thus provided for.
Churches involved, would do well to insure the lives of one or more of the trustees, at whose demise the amount would be applied to liquidate the debt.
