Beecher, who is by many considered which lately came to our knowledge in regard to which we committed yesterday in an article headed a pretty smart chap, was admirably "sold" by the the appropriation of \$75,000 for the Custom "New Appraisers' Bill !" paragraph about a white slave in Cincinnati having House, &c., in this City. Heretofore the exclusive RICHHOND, March 13, 1851. been bartered away to a Southerner. Hear him, in credit of procuring the passage of the Act through his panting indignation: To the Editors of the Enquirer: GENTLEMEN: My attention has just been called to your article in the Enquirer of this morning junder the caption "New Appraisers' Bill," and also to the Congress has been awarded to Mr. HAMPTON. "We have stated a supposed case. Look at No doubt that gentleman did all in his power, so far as his influence extended, to have the bill hardly been known to be colored at all; but is claimed caption "New Appraisers? Bill," and also to the one which follows it from the Hartferd Times, under the caption, "Important Increase of the Times."

The article from the Times is full of errors, as is so much of your article as is based upon its statements, and those in which you say the northern papers agree. I have not time to correct them in detail, which I regret, as I find the law referred to is much misunderstand. But I have not be in the law referred to is passed; but there were others on the ground who to as such, and is carried off to her fate. 'Her price, took quite as deep an interest in the matter as Mr. HAMPTON. Our esteemed friend and fellow- And the insatiate lusts of the man who can afford it citizen, Toblas Myrns, Esq., who spent most of the man who can afford it are to be gratified on this lovely and defenceless the winter at Washington, exerted every effort in his power have the bill passed. He was conmuch misunderstood. But I may say that it makes no change whatever in the tariff of 1846, as construstantly amongst the Senators and Representatives, stantly amongst the Senators and Representatives, she is told that she must not resist! Is there a man ed and administered, from the period of its enact ment down to the late decision of the Supreme Conurging them to do justice to Pittsburgh. And we have it from good authority that had it not been blood ever bounded at the kiss of the loved, who does not know that this is falset—who does not know that this is falset. by Mr. Polk's, General Taylor's and the present administration. As you correctly remark in the first paragraph of your article, " the bill ratifies and anfor the arguments used and the influence exerted for the arguments used and the influence exerted by Mr. Mxxxx, the bill, in all probability, would than the obligation to maintain civil order t Verily, have been lost. We mention this fact without the knowledge or consent of Mr. M., solely for that every breeze along their course must have howled their contempt for a nation that endures the purpose of giving "honor to whom honor is The Greek!-the Greek! sary to produce that unnormity in the unites review in the several ports which is required by the constitution. Mr. Walker earnestly recommended the bill in all of its provisions. It was necessary to continue the tariff of 146, which has been so eminently Publication of the Laws. The bill introduced some time ago, by Mr. England -- The Ministerial Crisis. Mowry, of Somerset, providing for the publication The Ministerial crisis forms the principal topic in the English papers. Lord Stanley has twice failed of the Laws in the newspapers of the various counties in the State, has been reported back to the House, by the Committee on the Judiciary, to whom it was referred, with a recommendation that it be negatived.

It is begin to be successful, as he had construed and administered it. Nothing could be more unfounded than the state. Wilmer and Smith's Liverpool Times says—In the House, by the Committee on the Judiciary, to Wilmer and Smith's Liverpool Times says—In the House of Commons last night (28th ult.) Lord John Russel moved the further adjournment of the House, as the Queen had sent for the Duke of Wellington as the present notition of anistic proposition. The character of the last had without constitued and administered it. that it be negatived.

We presume the Solons at Harrisburg are ashamed of their own acts, and do not wish their constituents to see them. Nearly every State in ashamed of their own acts, and do not wish their tion with which he had been met by D'Ieraeli on tion with which he had been met by D'Ieraeli on tion with which he had been met by D'Ieraeli on tion with which he had been met by D'Ieraeli on the roles required two thirds to take it from the Spoaker's table, yet, upon my motion, it was taken up, and, after a brief etatement from me, it was passed at the tion with the statement which he made was strictly correct. He professed his desire to maintain sod carred with a dissont from any one. wore them. free trade, to extend the franchise, and to put down the papal aggression, which his bill proposed, but fully your obedient servant, TH. H. BAYLY. laws suspended upon the dome of the State House, deemed any legislative measure on the last named subject superfluous. This was the point in which the negotiation failed.

Lord John was followed by Mr. D'Israeli, who in imitation of a certain tyrant mentioned in his-Selections from "Bopresentative Mon." BY RALPH WALDO EMPREON PLATO.-Where there is great compass of wit. maintained that he was justified in using the dis-claimer in reference to the noble Lord's version of the interview between Lord Stanley and the We observe that in the Wheeling Congression of the interview district each party has its candidate in the field Queen.

Sir James Graham nest addressed the House. While Sir James Graham nest addressed the House. While We observe that in the Wheeling Congressional compatible. The mind of Plato is not to be exhibited by a Chinese catalogue, but is to be appre-Sir James Graham nest addressed the House. While he professed his unwillingness to work with Lord John Russel, he was opposed to an extension of the franchise, and in relation to his Papal bill he thought some notice might have been taken of the aggression daring imagination gives him the more solid grasp of facts; as the birds of highest flight have the ed, and indicated peace with other nations. nomination Hon. Thomas S. HARMORD, the present member, and the Democrate have selected Col. GEORGE W. THOMPSON as their standard bearer. daring imagination gives him the more solid grasp by the British Government—but any legislative enactment on the subject, he deprecated.

Lord Stanley then made his statement and said that at his first interview with her Majesty, he had advised that an attempt he made to form a Ministry by a coalition between the supporters of the late Ministry and the followers of Sir R. Peel. He believed that the care of the sharp temperature and the followers of Sir R. Peel. He believed that the care of the sharp temperature are the supporters of the late of the state of the sharp temperature are the supporters of the late of the state of the state of the same We have strong hopes that Col. THOMPSON will be elected. The district undoubtedly has a handsome Democratic majority, but it was carried at it stings and paralyzes, adorn the soundest health the last Congressional election by the Whice in consequence of some unfortunate divisions in the Democratic ranks. These difficulties, we believe, are now healed, and Col. Thorresor comes before the people as the "Union candidate," with every prospect of being triumphantly elected.

Schuylkill County.

The Democracy of Schuylkill county met in would speak in the style of Plato." CHERRICANESS OF SHAKSPRARE, -- One mor toyal trait properly belongs to the poet. I mean his cheerfulness, without which no man can be a poet, -for beauty is his aim. He loves virtue, not for its obligation, but for its grace : he delights in the world in man, in woman, for the lovely light that from California, since the first discovery, is about \$68, The Democracy of Schuylkill county met in Convention at Orwigsburg on the 10th inst., when Convention at Orwigsburg on the 10th inst., when Convention at Orwigsburg on the 10th inst., when C. W. Heolegates as Senatorial, and F. B. Keepen and the House of Commons would be too great to enable his Ministry to bear up against, and he had accordingly made a communication to her Majesty to that effect. If he had succeeded in the Albert of the attempt he should have considered it his duty to repeal the Income Tax, and to bring in measures for the Harrisburg Judicial Convention, with instructions to support the Hon. Luther Keepen and the Hon. Elexis Lewis for the Support of the Papal Aggression, as had been taken by the late Ministry. The noble ford sat down amidst loud cheering.

The Convention at Orwigsburg on the 10th inst., when to great to enable his Ministry to bear up against, and he had accordingly made a communication to hilarity, he sheds over the universe. Epicurus resolutes, thet poetry hath such charms that a lover might forsake his mighters to partake of them.—And the true bards have been noted for their firm and cheerful temper. Homer lies in sunshine Chaucer is glad and erect; and Saadi says, "It was runnered abroad that I was penitent; but what had I to do with repentance?" Not less sovereign and cheerful,—much more sovereign and cheerful.

The Convention at Orwigsburg on the 10th inst., when the considered it his duty to repeat the first discovery, is about \$68,500,000.

The Convention at Orwigsburg on the 10th inst., when the state of them.—The shead sover the universe. Epicurus resolutes, the prover the universe. Epicurus resolutes, the first discovery, is about \$68,500,000.

— There is a manufactory of glass in Puebla, Meximan had, in woman, for the lovely light that to predict the spiriture of the true beauty has a lover The Convention passed the following resolution, which we heartily endorse:

Resolved, That it is the duty of the Delegates

As far as present appearances are should appear in any company of human souls, which we heartily endorse: joy and emancipation to the hearts of men. If he should appear in any company of human souls, who would not march in his troop? He touches Accolored. That it is the duty of the Delegates composing said Judicial Convention, to put in nomination no candidate for the Supreme Bench who is not known to possess the requisite experience and legal knowledge; for we hold that the people of the State will sacrifice every other consideration to the all important one of good and competent men.

Ohio U. S. Senator.

even a month. As far as present appearances are even apparation to the full development apparation to the full de nothing that does not borrow health and longevity from his festal style. NAPOLEON. Such a man was wanted, and such a man was born; a man of stone and iron, capa-ble of sitting on horseback sixteen or seventeen hours, of going many days together without rest where ordinary mortals fail. THE GREEK SLAVE.—Mr. D'Arcy, the fortunate of Wheatland, committed suicide by shooting him winner of this celebrated statue by Powers, in the self through the heart, last evening. He was drawing of the Cincianal Arts Union, danies, in a let-

drawing of the Cincinnati Artulion, denies, in the drawing of the Cincinnati Artulion, denies, in a letter to the President of that institution, that he wishes to dispose of his prize at any price, just at present. He says he has already received several liberal offers for her from different sources, and he will take time to determine which to accept. Among the bidders is P. T. Barnum, the only man in the Union who could effectually bid Jeany Lind to cross the Atlantic, and is now in a very dangerous state.—The cause of the rash act is said to have been in consequence for the best carde. The great and exciting question, "Who will get the Greek Slave" is now revived, and several weeks, if not months, will probably elapse before it can be definitely answered. By the way, Willis makes the best critiseism that we have seen, upon this famous work—He says he never can divest his mind of the idea that the ledy is just about to pull the suring of a shows graphs.

Charles McVean, a son of David McVean, Esq.

FROM HARRISBURG.

[CORRESPONDENCE OF THE MORNING POST.]

A COURT WITHOUT A JUDGE .- The Spring term o the Count without A Judge.— Ine opining term of the Columbiana Common Pleas commenced on Tuesday last. The term of Judge Pierce having expired and the Legislature having failed to elect a successor, the court is left without a President Judge. Unsuppose the court is left without a President Judge.

til yesterday afternoon, the business was conducted by the Associates, when, at the request of the Bar,

Judge Belden, of Canton, consented to act, protein.
This morning, Gronge W. McCook, Esq., Stubenville, is on the bench invested with the judicial robes—New Lisbon (O.) Patriot.

The Anti-Slaveny Agitators.

The fate of the free soil and abolition agitators is strikingly set forth in the following expressive lines from the

"Their breath is agitation, and their life
A storm whereon they ride, to sink at last,
And yet so nursed and bigotted to suffo,
That should their days, auriving peris past,
Melt to calm twilight, they feel overcast
'ith sorrow and supineness, and so die.
Even as a fame unfed, which runs to waste
With its own fitchering, or as used laid by
Which catsinto itself, and rusts engirerate."

The Cellar and third story of the building I occu-py, on the corner of Liberty and Itwin streets. marib:3: W. J. DAVITT.
