\*\*Mastrs. Sanford & Park: Liake this, opportunity o informing you of a grost remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry. In the year 1840 I was taken, with the inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841 was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined tomy bed: I tried all kinds of medicines and avery variety of sid without benefit; and thus I warred along until the winter of 1845, when I heard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given the all hopes of recovery, and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the genuine Wistar's Balsam of Wild Cherry. The effect was truly antonishing. After five years of affliction and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physiciana had proved unavailing, I was soon restored to entire health by the blessing of God, and the use of Dr. Wistar's Balsam of Wild Cherry.

May the blessing of God rest upon the proprietors of so valuable a medicine as Awistar's Balsam of Wild Cherry.
