THE SUBSCRIBERB have spened a Gentlemen's Furnishing Store, in connection with an Odd Fellows' Form in thing Store, in connection with an Odd Fellows' Regalia, never before presented to a Pittsburgh public, by a single catabilishment. From Philadelphia, they are in regular receipt of Odd Fellows' Registers, Lodge Blank Books, Garels, and other Lodge articles. The Regalia exhibited at their counter is most gorgeous and admirably assorted; nothing of the sort, so entirely exquisite, has ever been seen in this market in such profusion.

The Gentlemen's Farnishing Department is plentifully supplied with a variety of superts and delicately wrought articles of dress. The variety is entirely to great to enumerate in a maderate space; we must therefore, direct the public to an investigation of the Stock itself. All that we can say in this connection is that at our Establishment the gentlemen of taste can be supplied with any article in our line, manufactured out of the best materials and by the most experienced hands.
