Hon. George M. Dallas. We have received a letter from one of the most

distinguished, talented and thorough-going Democrats in Pennsylvania, in relation to the nominasolutions. Many of the acts are importan tion of a ticket for the Supreme Bench. The writer, after speaking in glowing language of the splendid legal qualifications of Mr. DALLAS, proposes the following ticket sage.

rather see upon the Supreme Bench than GEORGE M. DALLAS. He has qualifications for the station second to no other man living. Besides possess ing one of the best legal minds in the United States, he is a gentleman of the highest order of ntellect, of irreproachable character, of indispu
