## LOCAL MATTERS. QUARTER SESSIONS .- Tuesday, April 8.-M'Clure and Boggs on the Bench.

The case of the Com. vs. Jos. Barker and others for Riot, was resumed this morning. The witnesses for defence were examined. The case was argued to the jury by Col. S. W. Black for Commonwealth, and Mahon for defendants, with all the zeal and ability for which these gentlemen are so justly re-

nowned. Com. vs. Eliza Brunty-Bigamy. The defendant is charged with having been married, in the first place, to e man by the name of Brunty, in 1839, with whom she resided in this city for a considerable length of time, and while he was still living, she left him and married an old man, in Jefferson township, of about 90 years of age, by the name of John McNutt, who having died very suddenly, she seized upon a large portion of his property, and his heirs take this method of disproving her right thereto. Counsel : Woods for prosecution, and G. P. Ham

ilton and Large for defence. The Commonwealth having offered, in evidence a petition from defendant for a divorce from her first husband, in order to prove her marriage with him, it was objected to on the part of the defence, on the ground that the marriage in fact must be proven, and to sustain this position, a great number of au thorities were quoted, bearing directly on the point. Several authorities ware quoted on the other side, controverting the position taken by the defence. The Court, without deciding the point, adjourned till 9 o'clock.

The speech of Col. Black, yesterday, in the prosecution of Joseph Barker and others for Riot, was one of the most powerful efforts made in the Court Room. The room was filled with spectators, and the learned counsel was listened to throughout with the utmost attention and interest. He proudly sustained the brilliant reputation he has already won in the forum.

When I last saw yon, I had but little hopes of ever getting any better. But I have now the pleasure of thanking yon for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. I got a dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything eise. I have only taken four bottles of it, and I mais asy it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lancs. But that has now ceased, and ex-pect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are afflicted with a cough or diseased lungs. I let a young lady who had the CONSUMPTION, and
