Day Friend Siewart: I have been home now just two. Extract from a letter from F. M. Cory to H. L. Stowart, No. 137, Second street, New York.

Sparta, June 30, 1840.

**Dear Friend Stewart: I have been home now just two months. Whon I last saw you, I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. I got a form bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything else: I have only taken four bottles of it, and I must say it has done me more good than any other medicine. I have ever taken. On my first taking it, it increased the expectoration, and I rained a great deal of bloody mutter from my lungs. But that has now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are afflicted with a cough or diseased langs.

I let a young lady who had the CONSUMPTION, and had bled a good deal from the lungs, and doctored sweral months with our physician, but grew worse, have one bottle of it, and it cured her. It acted almost miraculously in her case.

Statement of Mr. A. Lang, Baker, No. 389 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Hommopathic physician, but his medicine did not seem to help me. Irend your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar and Canchalagua. Hefore I had taken up the third bettle, my bleeding had stopped, my Cough was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the Propristors, March 12th, 1850.].

J. D. Park—Dear Sir: As I have a deep commisseration for the afflicted, permit me to give you a brief history of my afflictions, and the benefits derived from the use of "Dr. Wistar's Balsam of Wild Cherry." In July 1844, I was attacked with a fever of a typhoid character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which reduced me to such an extent as to give me the appearance of a confirmed consumptive. I labored ander a severe cough, expectorated a great deal, and was troubled with cold feet and night aweats. I also frequently risked blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1847, until I was again attacked with fever. My extremities epecially my feet, were constantly cold, and almost cost their feeling. Under these circumstances it may be truly said that I was a living skeleton. I finally degrated lost their feeling. Under these circumstances it may be truly said that I was a living skeleton. I finally deter mined to quit taking medicine prescribed by physicians truly said that I was a living bacteribed by physicians mined to quit taking medicine prescribed by physicians and try Dr. Wistur's Balsam of Wild Cherry, and from the first week that I commenced taking it I can date a gradual recovery. Messrs. Sanford & Park: I take this opportunity o informing you of a most remarkable cure performed fit me by the use of Dr. Wistar's Balsam of Wild Cherry.
In the year 1840 I was taken with the inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined tomy bed. I tried all kinds of medicines and every variety of aid without benefit; and thus I wearled along mittle the winter of 1845, wene I heard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the genuine Wistar's Balsam of Wild Cherry. The effect was ruly astonishing. After five years of afficiation and suffering and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proyed unavailing, I was soon restored to entire health by the blessing of God, and the use of Dr. Wistar's Balsam of Wild Cherry.
