When I last saw yoay, I had buil little hopes of ever getting any better. Bui I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. I got a dozen botles of it and took home with me, determined to make a fair trial of it, as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raited a great deal of bloody matter from my lances. But that has now ceased, and so has my cough, nearly. I cough but little now, and ex-pect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are efflicted with a cough or diseased lungs. I let a young lady who had the CONSUMPTION, and had bled a good deal from the lungs, and doctored sord domins with our physician, but grew worse, have one four of it, and i cure her. It acted almost miraculonaly in her case. WM. DYER. whole party started towards the St. Clair st. bridge, where there was a crowd coming along, who were singing. I then retired. His friends re-ceived him with loud shouts of welcome. He de-nounced the Anti-Beatonites in the severest forms, and said they had gone over, body and soul, to the whigs; and that portion of the democracy who had stood by him, would have to fight the whigs and Anti-Benton men combined. He said that those who had descried the Democratic party for a price never came back-and instanced Asron Burr and Henry Clay, as two memorable examples. Col. Ben
