Dissolution. Penna. Railroad-Central Ratiroad. NORTH CAROLINA Public Houses .- His Honor, Judge McClure, PUBLIC HOUSES.—His Honor, Judge McClure, at the opening of the Court of Quarter Sessions, yesterday, observed that it had been currently reported about town that a number of tavern licenses had been granted by the Court during the present term. He had no official knowledge of any such licenses having been granted, and annoanced that it required at least one week's notice before the Court would act upon any application for a license. It requires the concurrence of two Judges, sitting in open Court, to grant a license, and if any had been granted during the March Term, he directed the Clerk of the Court to make out a rule, returnable forthwith, to show cause why the same should not be annulled. The learned Judges discharged Captain Roberts, out of the tipstaves, from further attendance upon the Court, until he had served all the rules. Statement of Mr. A. Lang, Baker, No. 388 Pearl street,
N. Y.—A few days before last Christmas, I was taken
unwell, and soon commenced bleeding freely at the
lungs. I called in a Homoopakine physician, but his
medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of
Liverwort, Tar and Canchalagua. Before I had taken
up the third bottle, my bleeding had stopped, my Cough

good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was
