BLEEDING AT THE LUNGS CURED.

SEE HOW PROMPTLY IT ACTS.

Statement of Mr. A. Lang, Baker, No. 383 Pearl street, N. Y.—A few day's before last Christmass, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Hommopathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Br. Kovera' Syrup of the Liverwort, Tar and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my Cough was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the Proprietors, March 12th, 1830.]
