PETROLEUM OR ROCK OIL; PETROLEUM OR ROCK OIL; T is not more than one year ago since this great rem-edy was brought before the public; for the relief and cure of disease. Its great, powers to heal, have, since then, become fully appreciated by the community, and we allege that the longer it is tricd the more certain will got up for the sole purpose of making money; but, one, which we conceive, will contune to be used when all nostrums have beer forgotten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to acor all human competition. It is our duty, when we write about a medicine, that we write TRUTH—that we say nothing calculated to deceive those who may trust our word or our confidence in our statements. The sick are year

beaper. Country Merchanis and Farmers would do well to cal and examine his stock before purchasing elsewhere, as he is determined to sell first rate articles at very low

by a power and agency that laughs to acora all number competition. It is our daty, when we vivite about a medicine, that we write TENTR—that we say nothing calculated to deceive those who may trust our word or put confidence in our statements. The sick are very apt to calch air any thing that promises relief from dis-case. A story can hardly be too highly wrought to an-swer the object of guiling or humburging some of them. Now, we do not derive to this; wo are anxious only that the truth in relation to our Remedy should be told, in order to secure for it a reputition far exceeding any single article of the moutria medica. Plain, unvarnished facits—tacts that may be ascertained in our own city and neighborhood, bear ample testimony in favor of the Pe-troleum. Within the past two months, two of our own citzens, who were totally blind, have been restored to sight Several cases of blindness, in the State of Ohio, have been cured. And, also, the case of a gentleman in Bea-ver county. There are others is but these cases are near home, and may be reforred to by any persons who may have dno the subict. Those cases were cured af-ter tuey had been abandonod by physicians as hop less-The Petroleum will cure, when used according to dizeo, tions—Diarrham, Dysentery, Piles, Rheumaliam, Goul, Neuralgia, Eruptions on the Skin, Pimples on the face Chronic Sare Eves. THE subscribers take this method to inform property holders, house-builders, and all others, interested, that they still continue the basicess of Tin Roofing, in all its branches. Their skill and experience in this part of the business, bashiberto enabled them to give entire satisfaction. And they hope, that by continuing the same policy of using the best materials, and employing skillfal, workmen, to keep up this favorable impression. If the question of Tin Roofing was new, or just brought before the notice of this community for the first lime, we would consider that the importance of the subject modulusify usin extending our views on its superior dvantages. This, however, is not the case. We shall therefore, confine ourselves to a few remarks. On the bit day of June, 1844, (nearly seven years ago,) we fin-ished our first job of Tin Roofing in this place. From that up to the present time, we have covered with tim the roois of the finest and most costly buildings that have been erected in this county. We have given our views on a provious occasion on the superior advantages. These advantages are, that when thin sue set the roof can be made much flatter-thoreby saving materials, in the length of rafters, brick in the gable ends-making the base teses in case of a fire, and showing a better finish and appearance. Also, when thin is used he guiters are, worked in, thereby saving the exit and reavy expense for copper guiters, copper flashings, &c., -things indispensible on slate roofs. If further reasons were deemed necessarin gore when the seen advantages. -this in the known fact that New York and other easi-erson where diventions in the tore when thin is used he guiters are worked in, thereby saving the exit and reavy expense for copper guiters, copper flashings, &c., -things indispensible on slate roofs. Thomas John M. Neff, Henry D. Sherrard, See'y. This is the oldest Insurance Company in the United States, having been chartered in 1794. Its charter is per-petual, and from its high standing, long experimee, am-phe means, and avoiding all risks of an extra hazardours charter, it may be considered as offering ample securi-ty to the public. WILLIAM P. JONES. At Counting Room of Atwood, Jones & Co., Water and Frontsts; Pittsburgh Arthur G. Coffin, Pres'l.

Those who will contemplate our geographical position, and the extent of our population, can have ne doubt as to the eligibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that any other city has more. The first class of the Law and Medical Departments o. this Institute were small, but the gentlement composing them are talented and in the lightest degree respectable-a favorable comea for the fature prospectivy of the Institute. That the public may be satisfied of the permanency, of this school, we feel it our duly to state; that the Trustees and Faculty form a unif in action, which aligners well for its future success; and that the peculiar internat organi-zation which connects them, cannot be interpled. Bariatest the Medical Context the the trustees

 and Faculty form a unit in action, which abgurs well for

 its fature success; and that the peculiar internal organization which connects them, cannot be interneted.
