LOCAL MATTERS.

JENNY LIND INSULTED.—We were mortified to learn that on Friday night this angel of goodness was most grossly insulted by a ruffian crowd, who, while the Concert was going on, dashed in stones at the window of her dressing room, and applied to her, that she might hear them, the most shocking and degrading epithets.—And when the Concert was over, the crowd, which was immense, who had assembled in front of the building, appeared determined not to leave until they would see her. After all the visiters had departed it still waited, (the carriage being there, ready to take her to the Monongahela House,) but she was so much alarmed and terrified at what had already occurred that she couldn't think of coming out while the crowd remained, and it looked very much as if she would be detained all night, when, by some means or other, as the story goes, an honest, good-hearted drayman by the name of Keating, got into the room and told her that if she would entrust herself to his care he would assure her that she would get home safe. She listened to him and confided in his integrity. She accompanied him, followed by some of her troupe, we suppose, out the back way, and succeeded in making good her retreat before the crowd was aware of her departure.

VERY BEAUTIFUL.—Speaking of the delightful weather for taking a ride in a buggy, we on Saturday examined one of the most beautiful and easy riding patent spring ones we have ever seen west of the mountains. It belongs to Thos. Steel, Esq., and was manufactured by Bigelow, in Diamond alley, whose exquisite workmanship and taste in such matters is causing his shop to be patronized by an immense run of custom. His carriages, etc., appear to be all the go. Even if you don't buy, call and see them.

☞ Officer Fox arrested a man on Friday night by the name of Theo. Laurenson, charged with stealing a watch from Reinhard's Hotel, Third st. He was brought before the Mayor, and in default of $500 bail, committed. It appears that he pretended to be a priest, and had papers on his person to bolster his pretensions. The villain who could assume such a character to prey upon the public, should be punished severely.

☞ A German lad in the Fifth Ward, a few days since, had a most important surgical operation performed upon him. He had been born with a defective upper lip, and a surgeon was called in the other day, who cut from his leg a piece of flesh, which he formed into a lip, attaching it to the small part which nature had allowed him, and the probability is that the experiment will be successful.

☞ Mr. Barnum announces Jenthatny Lind will give another Concert here in July next, "if arrangements can be made to secure the audience and herself from disturbance." The shameful outrages of Friday night must receive the condemnation of every citizen who has at heart the good name of our City.

HARPER'S MAGAZINE.—The second volume of this excellent publication will be ready in a few days. Persons wishing to have the work can procure it, bound in New York style, at Holmes' Literary Depot, Third street, opposite the Post Office.

☞ The railroad men who are charged with beating Jones, the Chief Engineer of the Chartiers Railroad, made their appearance before Mayor Guthrie on Saturday, and were held to bail for their appearance at the next term of the Quarter Sessions.

FIRE.—The alarm of fire on Sunday morning, about two o'clock, was caused by the burning of a brick house nearly opposite the Water Works. It was entirely destroyed.

☞ Joseph F. D. Keating, who accompanied Jenny Lind in her flight from Masonic Hall, was yesterday the observed of all observers. Great numbers were endeavoring to make his acquaintance.

RE-ENGAGED.—Miss Davenport has been re-engaged for five nights longer, and appears this evening as Charlotte Corday, the title of the piece which has been written expressly for her.

☞ On motion of Col. McCandless, James R. Snowdon, Esq., was admitted to practice in the several Courts of Allegheny county.

☞ Jenny Lind took her departure early on Saturday morning.

WASHINGTON, April 26.

President Fillmore is under the apprehension that a military expedition is being fitted out in the United States with the intention of invading Cuba. He has issued a proclamation, warning all who shall engage in such an expedition, that they will thereby subject themselves to the heavy penalties denounced against such offences, and will forfeit their claim to the protection of this government, or any interference in their behalf, no matter to what extremities they may be reduced in consequence of their illegal conduct. He exhorts all good citizens to discountenance and prevent any such enterprise, and finally calls upon the civil and military officers of the Government to use every effort in their power to bring to trial and punishment every such offender against the laws of the country.

BOSTON, April 25.

The reply of the Hon. Daniel Webster to the invitation of the Common Council, to meet the citizens of Boston in Faneuil Hall, was read before the Common Council last evening. He says, after expressing his thanks for the kindness manifested towards him, "I shall not have the pleasure during my present visit of meeting the citizens of Boston." He says what he has done to maintain the Union has not been done in a corner—nor will he enter Faneuil Hall until its gates be thrown open wide—not with impetuous recoil, grating harsh thunder, but with the harmonious sound of golden hinges, moving to let in freely all men of all parties true to the Union.

PHILADELPHIA, April 26.

Daniel Webster arrived here this afternoon, from New York, en route for Washington.

This morning, about 3 o'clock, Mr. Charles Bowen, of Waterpool, Washington county, Ohio, was robbed, in his room at the Merchants' Hotel, of $2,300, consisting of a $1,000 bill on the bank of Baltimore, two $500 bills and three $100 bills on the bank of Pennsylvania. The money was taken from the watch-fob of his pantaloons while he was asleep. The robbery was perpetrated by a fellow lodger, who has suddenly disappeared.

CHARLESTON, April 24.

The steam ship Isabella arrived at this port yesterday, from Havana, via Key West. All was quiet in Havana and in other parts of the Island.

Business was at a stand at Havana in consequence of the Easter Holiday season.

Look at its Unparalleled Success.

THE above distinguished COUGH MEDICINE is carrying all before it in *Lung Complaints*. In all sections of the country it is constantly performing cures which astonish even physicians themselves. Look at the high character and standing of the names which vouch for its unrivalled healing power. H. Cox, M. D., late Professor in the Medical College in Cincinnati; J. Richards, M. D.; Hon. Read a few of the letters.

Extract from a letter from F. M. Cory to H. L. Stewart, No. 137, Second street, New York.

SPARTA, June 30, 1849.

Dear Friend Stewart: I have been home now just two months. When I last saw you, I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to use Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. I got a dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, *nearly*. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are afflicted with a cough or diseased lungs.

* * * * * * * * *

I let a young lady who had the CONSUMPTION, and had bled a good deal from the lungs, and doctored *several months* with our physician, but grew worse, *have one bottle of it, and it cured her*. It acted almost miraculously in her case.

Your sincere friend, F. M. CORY.

N. B. The *original letter* from which the above is an extract, is on file, and can be seen at our office, No. 316, Broadway.

BLEEDING AT THE LUNGS CURED.
SEE HOW PROMPTLY IT ACTS.

Statement of Mr. A. Lang, Baker, No. 388 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homœopathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try *Dr. Rogers' Syrup of Liverwort, Tar and Canchalagua*. Before I had taken up the *third bottle*, my bleeding had stopped, *my Cough was gone*, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [*This statement was made to the Proprietors, March 12th, 1850.*]

Drugs and Medicines.

The Great Remedy for Consumption of the Lungs, Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, and other affections of the Breast or Lungs.

WISTAR'S BALSAM OF WILD CHERRY is a fine herbal medicine, composed chiefly of WILD CHERRY BARK and the genuine ICELAND MOSS (the latter imported expressly for this purpose,) the rare medical virtues of which are also combined by a new chemical process with the extract of tar, thus rendering the whole compound the most certain and efficacious remedy ever discovered for CONSUMPTION OF THE LUNGS.

INTERESTING CORRESPONDENCE.

Dr. Wm. Y. Banks, of Xenia, Ohio, a highly respectable Druggist in that delightful village, has informed us that the sale of Wistar's Balsam of Wild Cherry is unparalleled. The demand for it is so great that he can scarcely keep himself supplied with it. He has had in his store medicines for lung affections. Some of these were esteemed good and some gave temporary relief—But since he has had Wistar's Balsam of Wild Cherry, a number of the most serious cases were completely cured by its use. "I never sold a medicine," says the doctor, "in which I had that entire confidence that I had in this."

IT CURES! Wherever Wistar's Balsam of Wild Cherry is introduced, it at once attains that high reputation it so richly deserves. What can prevent its sale when on every hand can be witnessed its wonderful cures? The worst case of Asthma, recent and dangerous Cough, (and, also those that are of long standing,) Bronchitis or Consumption (in its early stages) are always cured by this remarkable medicine.

HEREDITARY CONSUMPTION!
Cured by Wistar's Balsam of Wild Cherry.

PLEASANT RIDGE, Hamilton co., O., Sep. 27, 1850.

J. D. Park—Dear Sir: I take the liberty of advising you of the benefit that I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that terrible scourge, Consumption, in May last. The attack was truly horrifying to me, for five of my family, (my brothers and sisters,) had died of Consumption. I was afflicted with nearly all of the worst features of the disease: I had a distressing cough and expectorated a great deal of blood, hectic fever, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skilled physician from the time I was taken sick until about six weeks since, being then about helpless, and my friends considering my case hopeless, or at least beyond the reach of our physician's skill, advised the use of Wistar's Balsam of Wild Cherry. * * * * * * * * *

I have taken four bottles of the medicine, and now consider myself perfectly well. I make this statement to induce others that are afflicted as I have been, to make trial of Wistar's Balsam of Wild Cherry, which remedy has, under the blessing of Providence, restored my health. JEREMIAH ISGRIGG.

CROWN POINT, Lake co., Ia., June 15, 1849.

J. D. Park—Dear Sir: As I have a deep commiseration for the afflicted, permit me to give you a brief history of my afflictions, and the benefits derived from the use of "Dr. Wistar's Balsam of Wild Cherry." In July 1844, I was attacked with a fever of a typhoid character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which reduced me to such an extent as to give me the appearance of a confirmed consumptive. I labored under a severe cough, expectorated a great deal, and was troubled with cold feet and night sweats. I also frequently raised blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1847, until I was again attacked with fever. My extremities, especially my feet, were constantly cold, and it may be truly said that I was a living skeleton. I finally determined to quit taking medicine prescribed by physicians and try Dr. Wistar's Balsam of Wild Cherry, and from the first week that I commenced taking it I can date a gradual recovery. I continued its use six months, at the end of which time I was cured, and have enjoyed good health ever since, and confidently recommend the Balsam to all those afflicted with diseases of the lungs, and would say to those commencing its use not to be discouraged, if two or three bottles do not effect a cure, but persevere as I have done, and I have no doubt that nine cases out of ten will be blessed with renewed health as I have been. JOSEPH JACKSON.

SPRINGFIELD, Ky., May 14, 1845.

Messrs. Sanford & Park: I take this opportunity of informing you of a most remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with the inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines and every variety of aid without benefit; and thus I wearied along until the winter of 1845, when I heard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the genuine *Wistar's Balsam of Wild Cherry*. The effect was truly astonishing. After five years of affliction and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God, and the use of Dr. Wistar's Balsam of Wild Cherry.

May the blessing of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectfully, W. H. BAKER.

The genuine "Wistar's Balsam of Wild Cherry" has a fac simile of the signature of Henry Wistar, M. D., Philadelphia, and "Sanford & Park" on a finely executed steel engraved wrapper. No other can be genuine.

The Human Body must Perspire,
(SO SAYS NATURE,)
TO HAVE A HEALTHY APPEARANCE,
And persons who do not perspire are liable to the most DISGUSTING SKIN DISEASES.

NOW, JONES' Italian Chemical Soap causes a free perspiration, and at the same time mollifies, softens the skin, giving it the texture and beauty of an infant's.

SCURVY, SALT RHEUM AND SORES, are soon not only healed, but cured by its use, as at least seven physicians in New York know, who use it in such cases, and find it unfailing—as also, in PIMPLES, BLOTCHES, FRECKLES, or any other skin disease. The reader is assured that this is no useless puffed nostrum, as one trial will prove. I could enumerate at least 80 persons cured of SORE HEAD, SORE LEGS AND SORE BEARD.

Buy it, and the reader is again assured, I would not cruelly sell it for the above, unless I knew it to be all I state. Those who are liable to CHAFED, CRACKED, OR CHAPPED FLESH, will find this not only a cure, but a preventive; and I can now only add, that any one afflicted with any of the above, or similar diseases, will find this all and even more (admirable in its properties) than I state.

☞ But, reader, the stores are flooded with imitations, and be sure you ask for JONES' Italian Chemical Soap—and buy it only of WM. JACKSON, only Agent in Pittsburgh, 240 Liberty street, Pittsburgh, head of Wood.

Jones' Lily White.

LADIES are cautioned against using common prepared Chalk.

They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using prepared Chalk! Besides, it is injurious, containing a large quantity of Lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as cosmetic on the skin, making it soft and smooth. Sold by the Agent, WM. JACKSON, 89 Liberty street, head of Wood, Pittsburgh. Price 25 cents.
