The Morning Post OFFICIAL JOURNAL OF THE CITY.

HARPER & LATTON, PROPRIETORS L. HARPER, EDITOR. PITTSBURGH TUESDAY MORNING, MAY 6, 1851.

Dinon at the first of all blessings. Distances to esteem to baim at the first of all blessings. Distances of i bid - Nations yet, unborn would rus the rathness of deed."-BUCHARAN.

Demogratic State Conventions AT READING. ninating candidates for Governor and CA new, on the 4th of June, 1851. as fixed by AT HARRISBURG,

For nominating candidates for SUPREME BENCH, o 11th of June, 1851, as fixed by the regular action of To Advertisers.

THE MORNEG Post has a larger circulation than any subscription paper published in Pittsburgh. To busi-ness men it affords an excellent medium for Advertising; and being the only Democratic paper issued in Allegue's and being the only Democratic paper issued in Allegh any county, it goes into the hands of a class of reader reached by no other paper. Advertisers will be goo enough to bear this in mind.

Type for Sale. Having determined to furnish our extensive Jo

Office with entirely new materials, we shall sell the distance from Greensburgh to Wheeling, via about 100 founts of type now in use, very low, for cash or approved paper. We have type enough to than the Hempfield route, surveyed by Jonathan Knight, who, it is known, was interested in giving fit out 8 or 10 country offices complete. The sizes

a very favorable report to the Hempfield Comand varieties of type are such as are to be found in all pany and Wheeling, with grades at 80 feet to the large city job offices, from Nonparell up to 20 line mile, two wide rivers to be crossed by expensive Pica, plain and ornamental. Also, for sale, several bridges, and with a great uncertainty of their varieties of borders, in good order. Persons wishing to purchase will please make immediate applihaving the right to build them, unless elevated at

a great height, say 130 feet above low water THE JOURNAL VICTORIOUS! The fight between the two leading. Whig pape will be a standard for all navigable rivers hereof this city has turned out precisely as we expected after -In addition to this, Mr. Knight found that there

it would. The Journal has completely driven the would be five tunnels on the route, and a number Gazette to the wall, and pinued him there ! The Descon has shown the White feather once more, of very short curves. Our Legislature granted and thus acknowledges himself to be incapable of charters to the Pittsburgh and Washington Railroad Company, and also to the Pittsburgh and Wheeling Railroad Company, to construct a road holding a controversy with Riddle. Even with the by any route to Washington, some two years ago and these charters are now in full force. All aid of the " friend at his elbow," he was compelled to retreat I Riddle has fairly won the victory, an according to all rules, his paper must now be conthat is required to obtain the charter, is to make a survey, and take a certain number of shares. sidered the Whig organ in Pittsburgh. We feel paying thereon a small instalment. This fact seems not to be known by our Washvery much like assisting the Deacon, as we always incline to take sides with the weakest party in a ington county friends; and as the Hempfield quarrel. Had not the Journal alluded to the "fa Company intend to solicit the vote of the county teen Whige" business, it is probable that the Dea for a county subscription of \$250,000 of stoc teon might have mustered sufficient courage to give it may be worth our while to show them that i rhe " swaggerer" another blow. That is a vulnera.

ble place to touch our old friend of the Gazette. Sir H. L. Bulwer.

An Irish Indignation meeting was held in New York, on Tuesday night last, in consequence of an expression used by Sir Henry Bulwer, in his recent speech at St. George's Festival. Mr. Michael Dohenv was called to the chair, and in the course of the evening a letter was read from Mr. Bulwer, in which he declared that he had not the remotest idea of disparaging any portion of the Irish population, ing in mineral and vegetable wealth, full of the steam-vessels in the United Kingdom, about one-half of n using the term " Celt" in his dinner speech .-

From the Buffalo Courter, May 2d. Violent Gale on Lake Erte. There was rare scampering in, or rather from Montgomery, last week. The whole community Violent Gale on Lake Erie. Violent Groan,—About 10 o'clock yesterday morning, the wind commenced blowing a tremen-dous gate from the South-west, which continued all day, frequently accompanied by abow, hall and rain in great abundance. All the sail craft which had recently left port were forced to run back before the wind, and our barbor presented through the day a most excited appearance. The water rose with was distraught, and vaccine matter decidedly more active than cotton. There was even some talk of the Supreme Court's adjourning to some uninfect, ed locality, and we are not sure but the Judges ordered the little heart-shaped aromatic bags that some are wont to guard themselves withal, against infection. The city authorities erected two plank fences across the street in front of the jail (where a most excited appearance. The water rose with the wind, and at noon it was higher than it had been

the wind, and at noon it was light than it has been before since the gale of 1844, a good part of the flats being submerged, and the waves sweeping over the whole length of the north pier all the at-ternoon. The new pier for the Eric Basin was al-most completely out of sight for several hours. The water receded gradually during the afternoon. The schooner Mount Vernon, from Chicago, load-ed with ror, may maph to it make the harbor, and the disease originated,) to protect unwitting passengers. A couple of darkies met at this munic pal barricade, and something like this colloquy was heard "Say, Sam, wat dis heah right 'cross de

ed with corp, was unable to make the ha . and "Pshaw, Davel you'se a country nigger, sure went ashore outside the south pier, opposite the Central Railroad Dock. She lies in the sand, and is

"Go 'way, nigger ! dis ain't notting but rough inch plank ! Board of helt finer dan dat !" not probably in much danger. The Brig Montezuma was also driven back, and

in passing up the Creek ran into the steamer Empire on her larboard quarter with her bowsprit, tearing up the steamer's deck and doing considerable damage to her upper works. The brig was considerate dam-age to her upper works. The brig was considerated bly damaged by the loss of a portion of her rails and her forward rigging. The Brig John Irwin had her jib and topsail car-ried away by the loss of the loss of the ied sway by the gale, and also lost some of he eck load Just at dark, the Propeller Saginaw, returning to and cut he

port, ran into the steamer Commerce and cut her down. The Propeller was considerably injured. Several other vessels were more or less injured in jured by being jammed between vessels and the

Slotning and Fashionable Emporium. No. 71 Smithfield street. my6 (Chronicle and Dispatch copy.) the day by fugitive signs, boxes, sections of tin roof, fragments of swnings, and in fact almost every thing not securely affixed to the freehold. Temportant to Dyspeptics 1 Important to Dyspeptics 1 Ur Anircia Diessinos I-Dr. Houghton's Pepsin, the True Digestics Fluid, or Gastric Juice, a great Dys-pepsia Curer, prepared from Rennet, or the Fourth Stom-ch of the Oz, after directions of Baron LUERIG, by J. S. Horoouron, M. D., Philadelphia, Pa. The art of making an Artificial Digestics Fluid, and of performing the process of Digestion, out of the Stomach-has long been known to Physicological Chemists. The honor of the discovery belongs to a celebrated Gorman Chemist, who gave the name of Pepsint to the active prin-ciple of the Gastric Juice, which he obtained by mucera-ting the lining membrane of the Digestive Stomach of the Calif in water, and precipitating the Pepsin from the solu-tion. Dr. Front, Dr. Pereira, and Dr. Gregory, in Eng-land j. Dr. Beaumont and Dr. Dunglison, in America; and chief of all, Baron LIEBIG, have recently experimented, and written upon this singularly interstring and curious studjeet, and thrown much light upon the heature of the Digestive process, in its chemical and physiological rela-

ve process, in its chemical a

By a connection here reliable Democratic journals in Pennsylvania, expresses astonishment that the Genius of Liberty, at tition of rival lines and routes, and it is by no. Uniontown, should travelout of the way to complime means encertain, but what we will have a branch ment the Lancasterias, a paper said to be conducted of the great New York and Erie Reil Road, thus by the noncrives Thomas II. Bushows, of Bush- making another route and rival to the others -shot War" notorious. Every number of the Lon. What necessity or use to huld 52 miles of new cathering that has been issued for the last six manther, and very expensive road to gain but two miles. construction that has been issued for the last six months, over mother route, which has the immense ad-has been filled with abusive and disgusting attacks wantage of wealth and population, and in possess upon that illustrious staticsman, pure Democrai, and static for be general trade. Let Washington com-bonest, man. Hop. James Businesse. This fort borest, man, Hon. JAMES BEGHAWAN. This fact it moder over this let her eramine well into the could not have escaped the observation of the Edit cost and probable profit of a new parallel road. tor of the Genius of Liberty. This paper is edited, Ard what shall we say of Pittsburgh and Allewe believe, by Mr. SEABIOHT, son of WILLIAM gheny county. Is it not your duty and interest to commence this road of 25 miles, to connect SEARIGHT, who is a candidate for the office of Canal with your neighbor. Let there be a unity of inter-ests. With the county subscription of Wash-ington, say \$250,000, or one half the amount, the balance could be obtained along the fine of the Commissioner. If young Mr. SEABIGHT wishes to advance his father's political fortunes, we would respectfully suggest to him that the exercise of a little road, or mortgage bonds at 20 years time be given. Then go to work, build the road, and while we more prodence would not do any harm.

The Pittsburgh Post complains of the ill conare at it, our Wheeling friends will have built their end of the Hempfield Railroad to Washing-The Fittsburgh Post complains of the ill core duct of drivers employed by the Ohio Stage Compare my on the roats between that city and Stenbenville. We knowshot little of what, occurs in the direction named by the Post; but if the rudeness of drivers on that Foite exceeds what is complement witnessed on other roads in the immediate vicinity of Rittsburgh. It must be bad anough. We admire a bold and inde-pendent driver; but when his independence, grows so large as to make him forgetfal of civility, he adds little to the popularity of his employers, and still less to the comfort of passing the Potriof. We stimustically hear of and wates of insolepce and ton, thus making a continuous route from Pitts-burgh to Wheeling, and from Philadelphia to Columbus, only two miles longer than from Greens burgh, by a measured line, and fully eight miles shorter by equated lines. But we had forgotten to speak of the probable

business of the road. Some railroads in the East are built over mountains, only to carry coal, and do pay very handsomely; would it not be an item in our calculations of profit? There is a continued descent from Washington to the Ohio, We almost daily hear of new acts of insolence and insult practised upon travelers by those employed by and coal cars would pass down, thus requiring the Obio Stego Company between this city abr but little expense for motive power, &c. When at Pittsburgh, what a large market for sales, when Stunbenville: 'If the press will duly speak out bold. ly an end will soon be put to these impositions. We ly an end will soon burner to these impositions. We compared with Wheeling or Greensburgh. It have taken the matter is hand, and shall not stop could be dumped into canal boats and pass into Philadelphia, without transhipment-but this is one of the many sources of profit. Had we not until a reform is effected. ' If stage owners give their drivers a license to abuse and insult travelers,

their drivers a meens to mouse and meen their bills, and better theep our Washington friends posted up they had better severise the fact in their bills, and better theep our Washington friends posted up about this road? This \$250,000 would do the the public will then understand them. thing exactly. Will our city papers take the matter up, and send come papers out into The Woodworth Planing Mill Patent. WASHINGTON COUNTY. As many of our readers are interested in the r

Dr. Moriarty. To the Farm School in Baltimore county.... advertising is given by the Phila. Inquirer. Such in stances are by no means rare :---

A member of a leading firm in South Third street, yesterday informed us that a few days since he com-tion of the Midows' Home..... yesterday, informed us that a new days since he com-menced advertising by the year in the columns of the Inquirer. His advertisement had been published only a few hours, when it attracted the attention of a stranger, who immediately called at his office, and a stranger, who immediately called at his office, and

a fitter a conversation of a few minutes, made a pur-chase, on which our friend realized a profit of elev-en hundred dollars! This is an undoubted fact, and is speaks volumes as to the value of advertising.

IT HENEY VAN PELT, Esq., Editor of the Memphis (Tenn.) Appeal, died on the 23d uit. He was a vigorous writer, a sterling Democrat, and was highly esteemed as which are built of iron. Spain, to save a few penniss, has reduced the grade of her foreign ministers. So much for the once splendid empire of Ferdinand and Isabella. with no particular grace to recommend it.

Bailroad Meeting in Beaver County. evident than in the disposition of the hair. We have seen fine heads so tied up like a corn busk, and so brushed up and braided up, asto give one a paintal The pursuance of public notice, a meeting of the titizens of Beaver county, was held at the Bridgewater House, in the Borough of Bridgewater, on Saturday the 26th instant.

presence up and oraided up, as to give one a paintin impression mercly to look at them. Others again, with beautiful locks rolled up and stowed away be-hind their ears, like a trooper's portmautoau on his saddle, and others still, but no matter-"thas doeme is that handsome does," and it makes not a hair's. The meeting was organized by calling Ancar-BALD ROBERTSON, Esq., to the chair, and appointdifference, how one werrs her hair, if she only wears her hears in the right place. ing Dr. T. J. Chardler and David Boies, Esq.,

The object of the meeting having been stated, t was, on motion, Resolved, That a committee of six be appointed to draft resolutions expressive of the sense of the meeting with regard to the contemplated Pittsburgh and Erie Railroad Whereupon, David Bols, Wm. L. Dickinson

Wm Denlinger, John Torrence, M. Darragh, and George Hinds, were appointed said committee. The committee having retired a short time, reported through their chairman, the following pre-

amble and resolutions, which were unanimously WHEBEAS, a communication by railroad be-

tween the Ohio River and Lake Erie, within the borders of Pennsylvania, is a matter of great im-portance to the citizens of Beaver county, as the valleys of Beaver, Shenango and Conneaut present the most advantageous route by which this object can be accompliabed, being shorter and tion of the catalyzing material. The whole appara tus which we gaw, could not have cost more than a couple of dollars, and if is capable of farnishing all the light needed for the illumination of an ordinary more easy of construction than any other route between the Lake and the River, and also, admitting of more uniform and easy grades than can possibly be obtained by any other route.----

THE AMERICAN FLAG UPON THE RUINS OF NINE Cherefore, Resolved. That we will use every exertion i our power to assist the Pittsburgh and Erie Rail-road Company in the construction of their road, believing that its completion will be of vast impostance to our manufacturing and agricultural interests, as well as to add largely to the business

facilities generally of this county. Resolved, That Hon. John Dickey, A. W. Townsend, Ovid Pinney, Wm. L. Dickinson, James Patterson, B. R. Bradford, David Boies, and Arch. Patterson, B. R. Bradlord, David Boles, and Arch-bald Robertson, be appointed a committee to confer with the Directors of the Pittsburgh and. Erie Road on the 1st of May, as to the propriety of putting under contract that part of suid road, between New Castle and the Ohio River, at the earliest day practicable

earliest day practicable. Resolved, That this meeting recommend the ap-pointment of a committee of suitable persons for the purpose of obtaining releases of the right of way for the Pittsburgh and Erie Railroad, so far EMIGRATION TO JOWA .- The Burlington Telegraph
