DR. JOHN BULL'S SAHSAPARILLA!

I is put up in quart bottles, and contains the strength
of SIX TIMES as much pure Saraparilla as any
similar preparation in America. Price 5t per bottle, or
six bottles for five dollars.
It has been a well testablished fact for years past, that
Saraparilla, when pure and properly prepared, was the
only true panacea for all diseases originating from an
impure state of the blood, the use of mercury, intoxicating drinks, evil. habits in youth, barrenness, &c. We
boidy assert that JOHN BULL'S FLUID EXTRACT
of SARSAPARILLA is the only preparation before the
public that is prepared on strictly scientific principles
and of uniform strength. The Saraparilla is purchased
without regard to price and every pound, before being
used, is subject to the strictest chemical tests, and its
genuineness ascertained before being used!

Bull's Sarasparilla also contains the virtues of several other valuable medical rows, together forming the
best compound, and producing the greatest curative agent
in the known world;

This Medicine, when used necording to directions,
WILL CURE WITHOUT FAIL!

at Discassea, and it is a spring and a ginule and pleasant purgative, far superior to Blue Lick or Congress Water Salts, or Seidlitz.

The following is a verbatim copy of a certificate now in the possession of the prorietor of Bull's Sarsapartial. Rev. E. W. Sehon is widely and generally known as an eloquent and accomplished Pastor of the M. E. Church, and the Rev. E. Can the world produce better or more satisfactory testimony in favor of any medicine?

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE

Rev. E. W. SERON-Rev. E. STEVENSON.

Loutsville, May 20, 1850.

We have used John Bull's Sarsaparilla, and have known it to be used with entire satisfaction; and have no hesitation in stating that we believe it to be a safe and valuable medical compound, and calculated to produce much good, and relieve much suffering; and would therefore most cheerfully recommend it to the afflicted.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, heautiful, white skin, and a rosy colored cheek. How often do we see persons, not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, folloms, weakes, paint and coloring materials, to restore to them a somblenee of what disease has deprived them of, and that too, with great injury to the skin. Bull's Sarsaparilla is the best cosmetic known. It beautifules the skin, by remaving every particle of morbid and diseased matter from the blood, making it pure healthy and vigorous, glving activity to every minute vessel, and changing the yellow and dark countenance to the bloom and freshness of youth. Ladies, abandon the use of paints and mixtures, and use Bull's Sarsaparilla, the only effectual remedy. "A word to the wise is sufficient;" and a hint is enough for the Ladies.

FEMALES.

Its mild alterative properties render it peculiarly applicable to the slender and delicate constitution of the
female. It is unrivalled in its effect upon such diseases
as incipient Consumption, Barronness, Lencorrinces or
Whites, Irregular Menstraution, Incontinence of Urine,
and general Prostration of the system. It immediately
contracts that distressing nervousness and insultide so
common to the emile frame, and imparts an enterty and
buoyancy as surprising as they are grateful. We have
evidence on file, which induces as strongly to recoid
mend this medicine to married people who have not
