Beautiful Extract,

|Daily Morning Post. Of in our sterner manhood, when no ray of carliensunlisht glimmers ou our way, When girt with sin and sorrow, and the toil Of dare which tear the bosom that they soil if dare which tear the bosom of the start of some the in returbspection's chain Of dare which icat the Ospecion's chain Oh, if there be in retrospecioning dreams again— One in the set of the set of the set of the set On it hought so sweet we scarcely dare to muse On all the hoarded rapture it reviews— Which scenes each instant, in its backward range, The heart to soften, and its ties to change, And cycry spring untouched for years to move, And cycry spring untouched for years to move, It is—res MEMORY OF A MONTRE'S LOVE. From the New Orleans Crescent

Early Explorers of Central North America.

While Lewis and Clarke proceeded up the Mis-souri, and thence to the Pacific, Mr. Jefferson entrusted to General Wilkinson the selection of the officer to explore the sources of the Missisip-Gen. Wilkinson was at that time the Cappi. Gen. Wilkinson was territory known as Lou-tain General of the vast territory known as Lou-tain He selected Lieut. Zebulon Pike. He isiana. He selected Lieut. Zebulon Pike. He had under his command a Sergeant, a Corporal, and seventeen privates, composing the party. He had no subaltern officer, and no surgeon. It was a paltry outil for such an important expe-dition. He left St. Louis, August 9, 1805, in a keel boat, seventy feet long, and with four months provisions. Trappers and hunters doubtless had HON. JEREMIAH S. BLACK. of Somerset. ascended the river previously; but there were no accounts published, nor any chart of this unaccounts purce. He reached the source, as he sup-posed, on February 1, 1806. Thus he was per-forming his tour in the depths of winter, in latitude forty-seven degrees north. The exposures and hardships suffered by the party, have been The Committee met at the Office of the Morning For alled only by the party under Col. Fremont. ince that period, a more perfect exploration h led to the discovery of other sources. The head Esq., the regular Chairman, being absent, on mot daj. DAVID LYNCH acted as Chairman, pro tem. waters of the river consist of a labyrinth of After some consultation, the follow

lakes. In these remote regions he met several Indian traders, belonging to the British Companies, from whom he reco eived the utmost hos tality. After a short stay, he commenced his journey home, and arrived at St. Louis on the 80th of April, 1806. L. HARPER, Secretary. So well pleased was General Wilkinson with his labors, that he immediately ordered him on anlabors, that he immediately ordered him on an-other arduous tour. The second expedition em-braced the exploration of the source of the Great Osage, the Arkansas and the Red Bivers. He left St. Louis on July 15. This region was at

A. Burke, Pr. A. Black, Charles Barnett, Robert Woods, L. Harper, Charles-Kent, leit. St. Louis on July 10. This region was at that time as little known as the interior of Af-rica. The only travellers had been French tra-ders, who carefully kept their information to themselves. He traced these different rivers to John Coyle, D Lynch, their sources, and published charts of them, an of the Mississippi, which were made from direct observation. He inadvertently crossed the bound dary, and found himself in the Spanish Terricompleted the work they have undertaken on the This originated from his crossing the wars of Red River, and taking the Rio Grande for that river. He was immediately waited on by a superior body of Spanish soldiers, and escorted, rveillance, down the Valley of the Rio Grande to Chihuahua, thence by San Antonio in Natchitoches, which place he reached

Antonio in Natchitocnes, which place he reached on July 1, 1807. His party consisted of two Lieutenants, a Surgeon, two Corporals, and six-teen privates. A comparison of his tour, with Valley of the Rio Grande, proves that but little change has occurred in the condition of the country since that time. Pike and his party encountered difficulties in this expedition, for want of rooms, or are willing to do so, will furnish their food, and hardship, quite equal to those which attended his first adventure. The publication of his Journal was at a most opportune time, just that time, in writing when the excitement of the Burr expedition and some early period.

tor We are indebted to Mr. ISAAC JONES for trial was at its neight. He was promoted to a captaincy in 1809, and shortly after was made Lieutenant-colonel of the a copy of the Liverpool Courier of June 11th. Fourth Regiment, which acquired so much glory in the battle of Tippecanoe, though he had not

joined it at the time. At the approach of the war he became colonel, and, in 1816, was ap-pointed Brigadier-General. He was killed at the Var he became colonel, and, in 1816, was apon of a maga-

Work for Children.

onventions will be cordially and heartily sustained at the polls. There will then be no heart There is no greater defect in educating chilall portions of the party, and all sections of the State will look upon each other as friends and dren than neglecting to accustom them to work. It is an evil that attaches mostly to large towns and cities. The parents do not consider wheth or the child's work is necessary to, the child.brothers. To all, we say again, we return our sincerv thanks. We have not been honored with being Nothing is more certain than that their future ee of the Convention, but we have independence and comfort much depends on bethe nominee of the Convention, but we have been treated kindly and fairly. That was all we ing accustomed to work-accustomed to provide for the thousand constantly recurring wants that had a right to expect. The interests, usages, and nominations, of our party are our guide, and shall

nature entails on us. If this were not so, still it preserves them from bad habits—it secures their health—it strengthens both body and mind—it enables them better to bear the confinement of have our best services." Mr. BRATTON is a noble example of the true earnest, and self-sacrificing Democrat. He does honor, and in due time will obtain the just rethe school room-and it tends more than anything else, to give them just views of life. Growward of his fidelity.

Spoken Like a Man! JOHN B. BRATTON, Esq., who was a candidate

vention, comes out in favor of his successfu

competitor, in the following manly style:

ing up in the world without a knowledge of its toils and cares, they view it through a false me-THE OCTOBER ELECTION IN OHIO .---- Under the dium. They cannot appreciate the favors you bestow, as they do not know the toils they cost. Their bodies and minds are enervated, and they are constantly exposed to whatever vicious as-sociations are within their reach. The daughter are bodies and within their reach. The daughter probably becomes that pitiable helpless object, a novel-reading girl. The son, if he surmounts

he consequences of your neglect, does it proba bly after his plans and stations for life are fixed and when knowledge, so far as one of its important objects is concerned, comes too late. No man or woman is fully educated if not accus-tomed to manual the second sec tomed to manual labor. Whatever accomplish

ments they possess, whatever their mental traintion must be made for their ignorance of that important chapter in the world's

We call the especial attention of our fair read- sure the long skirts will be as much ridiculed for \$700." ers to the communication in this day's paper, their clumsiness, as the short ones are now by the

under the above title. The writer has our thanks misshapen and the antiquated. I was present lately at a little party, where the enjoyment of our female friends as has been done following conversation took place; and my momin this article. "KATE" may be consulted by ory being pretty good, I jotted it down after the

some of the ladies who are opposed to the new manner of Boswell, for the especial benefit of all style of dress; but, if so, it will only be with a whom it may concern: view to try and discover some evidence of moral Miss Julia-"Did you hear that Mrs. ---- is turpitude, in one known to differ from them in getting made a suit of the Bloomer costume?-

opinion merely about the difference in the length the body and skirt peagreen silk, trimmed with white; pantalettes salmon colored. She is to We give an extract or two, in order to show appear in it at Miss ---- 's wedding. Mrs. Crane-" I wouldn't wonder! Catch me

the progress of things "down east," and will only add, further, that the proposed new female making such a fool of myself! I consider the costume is becoming immensely popular all over dress decidedly vulgar, and no lady would wear it. the country. We do not doubt that in less than It will do for Lowell factory girls"-Mrs. Duck-"Oh ! I wouldn't be astonished twelve months every lady will wonder how she

could have endured the mud and dirt in- if Mrs. ---- had not once been a factory girl herself from her low sympathy of taste. Her husband should be ashamed of her; but I believe he The Lowell (Mass.) Courier, of the 20th, says: is as big a fool as she is!"

Mrs. Hawk-"Come ladies I can't allow any insinuations against Mrs. ----. If she likes the costume she should wear it—if I liked it I would put it on. But Mrs. Crane, I should vastly like to see you in it, for you would make an admirable Camilla from your length of limb! Julia stick out your foot. Now there's an ankle and This gentleman is patronized by the queen moth insten worth looking at—and it should be seen ! er and her husband."

instep worth looking at-and it should be seen ! If Heaven has given one a pretty form, one ought not to muffle it up as if ashamed of it .---Mrs. Duck, you would look like Napoleon, so fat and imperial! But Julia would be a Hebe; and Mrs. ---- the goddess Diana ! The costume the new costume. "Four young ladies have appeared in Barn-stable in the new costume ; and in Andover, yes-terday, several ladies in the new dress were the observed of all observers." in my opinion, is decidedly elegant, and I essentially aided in the preservation of peace shall be among the first to put it on. I went the between his country and ours-might readily other day to Market street a shopping, and when

I left home the skirt of my dress was a most disgusting sight; and ever since I have given my voice for the Bloomer." Mrs. Crane-"I will never put it on." Key States, but might be the means of bringing on a conflict which every civilized people of the earth has the strongest motives for deprecating. Greensburgh Judicial District. The following despatch reached us yesterday GREENSBURGH, JUNE 26, 1851.

where the idea of such an innovation origiated ?"

Mrs. Hawk-"I believe the idea of adopting it in this country was first advanced by Mrs. Bloomer, a lady editor of New York; but the costume is oriental. It only differs from the ors retire from the contest. Eight games will burkish in the particular that our ladies are per-Turkish in the particular that our ladies are per-mitted to show their faces to the gentlemen, while the ladies of Turkey keep theirs muffled up.— Poor things! I hope the present Sultan, who is something, of a progressive, will carry his reforms Furkish in the particular that our ladies are perinto the harem, where they are so much needed. Lamartine says the women of Western Asia are the most beautiful in the world; and if they were

permitted to unveil their loveliness, I am inlined to believe the tide of empire would flow to the Orient instead of to the Occident; and the gateway of pearls would have more attraction to our young men than the gateway of gold." There were present some half dozen of ladies beside the writer, who took no part in this conversation, and were applied to for an opinion. One of them proposed that we should take a vote; which was done, and the result was as follows:

For the new costume......8 Against the same

as a lamp post, and the other as short and fat as an oil puncheon. And, furthermore. new Constitution just adopted in Ohio by a large I can say most conscienciously that the better part of the company were decidedly good-look-
