Dr. Guysott's Yellow Book and Sarsaparills.

DUT UP IN THE largest sized bottles, contains
In more of the pure Honduras Sarsaparilia than hay other preparation extant, which is chemically combined with the Extract of Yellow Book, the Extract of Wild Cherry, and Balsam of Fir, thus making the remedy more thoroughly efficient than any other Sarsaparina before the public. At the same time it is perfectly free from all mineral points, which cannot be said of any of the Barsaparila Compounds. The invalid should beware of poison! Mercury, Iron, Quinine, Iodine, Sulphur, Arsenio and many other mineral arri metalle poisons entered into and form the active basis of most of the Sarsaparillas and Panaceas of the day. Guysort's Coaroung Extract of Yallow Dock and Sarsaparilla. does not contain a particle of these substances, as any one can ascertain by applying the necessary tests.

The original and only, genaine preparation for the permanent core of CONSUMITION AND DISEASS. OF THE LUNGS when they are supposed to be affected by the teo frequent use of Mercury, Iron, Quinine, etc—tit is also a remedy for SALT RIBLUM, RING WORM. This certifies that my wife, aged twenty-seven years has been suffering under the above complaint for five years. Nearly, all of that time confined to her bed, have for five years constantly employed the best medical talent that could be procured in this section of the country, without any benefit whatever.
