CHEMICAL DISCOVERY:

Chemical Vegitable Combinations to repul Direases.

Dr. Gnysott's Yellow Dock and Barsapa.

Dut up in the largest sized both es, contains a more of the pure Hondaras Sarsaparilla than any other preparation extant, which is chemically combined with the Extract of Yellow Dock, the Extract of Wild Cherry, and Balsam of Fir, thus making the remedy more thoroughly efficient than any other Earsaparillas before the public. At the xme time it is perfectly free from all mineral poisons, which cannot be said of any of the Sarsaparilla Compendes. The invalid should be ware of poison! Mercury, Iron, Quinine, todine, Salphur, Arsenic and many other mineral and metalic poisons entered into and form the active basis of most of the Sarsaparillas and Panacega-of-the day. Gurbort's Compound Extract of Yallow Dock and Sarsaparilla does not contain a particle of those substances, as any one can ascertain by applying the necessary tests.

The original and only remaine preparation for the permanent ourse of CONSUMPTION AND DIBLASER.

OF THE LUNGS when they are supposed to be affected by the boo frequent use of Mircury, Iron, Quinine, etc... it is also a remedy for Salt-RHEUM, RING WORM, TETTER, SCALD HEAD, DROPSY, SCURVY, WHITE SWELLING, King's Evil, Neuralgic Affections, Nervous and general Debility of the System, Loss of Appetite, Languor, Dizziness and Liver Affections, which led to Intermittent and Remainent Favers, Ever and Ague, Billious Fevers, Chill Fevers, Dumb Ague, Jundice, &c. &c.

from 22 inches to 64 feet, with width, and depth suitable
for bodies of ordinary size, and for those who desire
space for cushioning, or for bodies of unusual dimensions, have several sizes deeper and width. This invention now coming into general use, is pronounced one

This little fellow is a bright, spirited looking boy, and shed bitter tears at his brother and sister being separated from him. Scarcely had the sound of the carriage as it rolled away, died upon our ear, until it was bustle, bustle, and another writ was issued to have the children brought before another court.

This certifies that my wife, aged twenty-seven years has been sufficing under the above complaint for five years. Nearly all of that time confined to her bed. I have for five years constantly employed the best medical talent that could be proteured in this section of the country, without any benefit whatever. I have also purchased every instrument recommended for the one of such diseases, all of which proved worthless.

In the spring of 1848, I was induced by my friends to try Br. Guysour's Yellow Dock and Sirssparilla which was used for four months. After she had used it for four weeks, it was evident to all of us that she was improving, and from this time she improved rapidly, and gained flesh and strength until she is now enjoying meat excellent health:

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful, white skin, and a rosy colored cheek. How often do we see persons, not possessing this "desideratum so devoutly to be wished," resorting to cosmethes, lotions, washes, paintened of what disease has deprived them of, and that too, with grest injury to the skin. Bull's Sarsaparilla is the best cosmetic known. It beautifus the skin, by remying every particle of morbid and diseased matter from the blood, making it pure healthy and vigorous, giving activity to every minute vessel, and changing the yellow and dark countennee to the bloom and freshness of youth.
