THE DOVE OF THE STORM. BY DOBA M'NEILLE.

Gently and quietly the night folded its wings over a pleasant home among the Green Moun-tains, where a happy circle were gathered around a fire of maple wood. It was one of those old fashioned homesteads of which every one has a fashioned homesteads of which every one has a

fashioned homesteads of which every one has a bright idea; tall trees bent over it, as if to shel-ter the young hearts that beat happily under that roof, and peacefully, even as the birds that sing to them through the long summer days, dwelt the little mountaineers in their secluded dwelt the little mountaineers in their secluded home. Their parents had been absent on a visit for a week, to their friends at a distance, t t was mid-winter, and the broad evergreen for It was mind-winter, and the broat created to ests were covered with mow. They were not the people who spend in pleasure the loveliest season that God gives us, for little thought could they take of journeying for amusement, when the rich fruit and waving grain was ripening fast

for them to gather. It was the farmer's season for flitting now; the harvest moon had long since waned, leaving rich stores in the born and the granny. There were stalwart boys to leave at home, who knew. ight well what was needful, and the parents iad not feared to leave the little band at home alone, without any protection but their own in-nocence, and the care of Him in whom they Trained as they had been to brave all danger

and storms, caring lightly for either, the hardy children had enjoyed the independence of be-ing left to take care of themselves as James Graham expressed it, and now they were recounting all the home duties they had faithfully per patience! formed, for the absent ones were expected home that night, and each little heart beat hap-

pily in the consciousness of having done right. "Well," said James, "I guess father don't his office, to be paid for when Col. BIGLER is expect to find all the corn husked when he gets elected Governor. We will send the paper to

"No, nor the old shed boarded up so nicely," said Richard. "What have you got to tell father, Annie?" about the matter! said James to a little creature who looked like

and how I helped you to feed the lambs every

"You'll tell him we've been good; too; won't you, cousin Marion " asked Richard, for the rogueish hoy began to remember certain instances of his teasing and fun, which he thought might not sound very well in the ac-A gay and brilliant girl was cousin Marion,

who had escaped the dull restraints of a city life to enjoy for a little while the freedom which she loved, Oh. how strange that she could leave gaiety and fashion; where she was the brighter star, to sit on that old hearthstone in the farmer's enough; she was so gifted and so kind, and so winning to all, and then as James said, she was first-rate hand at making candy and appopping
