 Dr. J. C. Ayer, Lowell-Dear Sir: 1 am now con-stantity using your Cherry Pectoral in my practice, and preferitio any othermedicine for pulmonary complaints.
 From observations of many severe cases, 1 am couvine-ed it will cure coughs, colds, and disease of the lungs, that have put to defance all other, remedies.
 I invarinbly recommend its use in case of consumptions, and consider it much the best remedy known for that dis-case.
 Respectfully yours.
