nostrums have beer forgotten. The FEROLEUM is nostrums have beer forgotten. The FEROLEUM is a Natural Remedy elaborated in the depths of the earth by a power and agency that langhs to scorn all human competition. It is our duty, when we write about a medicine, that we write natural—that we say nothing calculated to deceive those who may trust our word or put confidence in our statements. The sick are very aptto eatch at any thing that promises relief from dis-case. A story can hardry he too highly wrought to an-wer the object of galling or humbagging some of them. Now, we do not desire to do this; we are anxious only that the truth in relation to our Remedy should be told, in order to secure for it a reputation far exceeding any single article of the materia madize.
