I have known it in many cases to act like a charm Your SANATIVE FILLS are my sheet anchor.—The test medicine for my liver complaint and pain in the eide that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beccher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in in-termitent fever, with the most complete success. I think it once was the means of a saving my ewn son. Du-ring my travels among the curches the past season, I found a whole village suffering under a prevailing influ-enza, attended with coughs of a most yoolen thematter.
