Dr. Jayne's Family Medicines.

EXTRACT of a Letter from the Rev. E. D. Abbott, a well known and highly esteemed Missionary in the kingdom of Burmah, dated

SAGAING, BURMAH, February, 1846.

Dr. D. Jayne, Philadelphia: My Dear Sir—We are in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been one of our Missions sure friends with the most gratifying success. I SANATIVE PILLS are my sheet anchor. The Lost medicine for my liver complaint and pain in the side that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in intermittent fever with the most complete success. I fing my travels among the churches the past season, I found a whole village suffering under a severe attack of influenza, attended with coughs of a most violent character. I often prescribed. I had not had a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what extent your medicines are used in all our Missions.

Affectionately yours, E. L. ABBOTT.
