THE FUGITIVE SLAVE LAW.

The Whig candidate for Governor is still pubmeeting of the delegates. licly advocating the abolition principle that the fugitive slave should have a trial by jury, and it is possible that some minds may not see how to answer the sophistry of his speeches. No one can read the Constitution of the United States without seeing that it is a treaty setting out the terms to which each State agrees on becoming a ga Wines are now shipped, as they are now but little used. party to it. No one can avoid seeing that each

State contracts with every other that fugitive alaves shall be delivered up. Those who admit the validity of the Constitution and the Union. must admit that it is the duty of each State and of the Union to see that this article of the treaty is honestly performed. Now in the performance of such a governby them to the Mint.

mental duty, is it necessary or proper that there should be a jury trial ? Where one State under takes the performance of a duty to another State or its citizens, who ever heard of its being done ses-no need of any-none to fill them." This by means of a jury trial? Who ever heard of is truly a happy state of things. Can the edi-

finial duties ? such a result was accomplished? Where a vessel is taken at sea under claim of ... prize, it becomes the duty of government to investigate the case, and decide whether the taking

Shark, and a piece of charcoal, were found at was lawful or not-and this duty it owes to ano. the depth of 110 feet. About one foot below ther State-who ever heard of a jury trial in this, red clay was found. The well was comsuch a case ? Each State has officers for this purpose, and they are trusted with the performmenced on the top of a hill. ance of the duty. In the case of fugitives from The number of emigrants who arrived a "another State or nation, we have treaties that New York from foreign ports, during the month they shall be delivered up; and who ever heard of August: was thirty thousand; two hundred and

of this governmental duty being performed by ninety-eight; or nearly 1000 a day. In July the means of a jury trial? nomber was 29,828 On a former occasion we spoke of this subject. and we then charged that the only object of insisting upon a jury trial is to embarass the reclamation of the fugitive, and to make his pursuit so tedious and troublesome as not to be said, has been paid in. worth the cost, and that it was insisted on only with the hope that at best one of twelve jurors would be an Abolitionist and would refuse to find

against the fugitive. We should hear of no outory for a jury trial, if the jury were to be called instantly, and a majority could find a verdict.

historical necessity which links the hopes of all telligence, learning, extensive acquaintance nations to France, which once more reposes the Initiation of the movement in the hands of the among our citizens generally, and the respect in which he is held by all, Mr. UNBSTARTTER may reasonably be expected to do much in establish-ing on a paragraphic the infort Association of ag on a permanent basis this infant Association : the French army from the unworthy position which presses it into a police service against the nd as he is one of the Committee to solicit donations in money, books, &c. we hopo he may people, while in its very existence as in its name it is the destined standard bearer of Freedomsucceed to the highest wishes of the Society. this, this is the starting point from which alone The Library is not designed to be exclusively movement must set out if it would be victo erman ; so that any of our fellow-citizens who rious. The revolutionary energies of Italy are kept down by the Croats, those of Germany and nay feel an interest in such a work of love and generosity, can have an opportunity of con- Hungary by the Bussians; and the balance o forces can be re-established only when the mili tary strength of France is rendered free to the ributing such works as they may think useful or interesting-whether in Literature or Art.

Revolution. Let us see, then, before we go a step farther, whether judging the question with-out prejudice, it is possible or even probable that the liberation of France will really take In some parts of Alabama and Mississippi there is a very great scarcity of provisions, owing to causes that are not stated. The Tusplace.

From whatever point of observation we ma caloosa (Ala.) Monitor, of the 14th ult. says : attempt an answer to this inquiry-every reply "The high price and scarcity of all kinds of tends in one direction converging in this; that provisions in this place is attracting serious attention. Bacon sides are now selling at 14 to 16 cents a pound: and unless we receive sup-pliss from Tennessee soon, the whole stock in the hands of our merchants will be exhausted. is, become essentially a Republic, but that in Lard hardly to be got for any price, and so of will be released from all monarchic fuctions, and there articles." Complaints of a nearly total failure of the corn crop, we notice from various in this result, that the period for the solution of this problem is very near at hand, that the election for a 2nd President in 1852 must ther counties.
