Major Pattison, President of the S. C. Senate, states he has used the Cherry Pictoral with wonderful, success, to cure an infismation of the lungs.

From one of the first physicians in Maine.

Saco, Me., April 26, 1849.

Dr. J. C. Ayor, Lowell—Dear Sur I am now constantly using your Cherry Pectoral in my practice, and prefer it to any other medicine for palmonary complaints. From observations of many severe cases, I am convinced it will cure coughs, colds, and diseases of the longs, that have put to defiance all other remedies.

I invariably recommend its use in case of consumption, and consider it much the best remedy known for that disease.

Respectfully yours.

S. F. Bennett—Dear Sir: I purchased, a short time ago, a bottle of your Yellow Dock and Sarsaparilla for my wife, which she has used for her complaint, Eryzipelas and Weakness, Falling of the Womb, etc., and it has already helped her very much. Of the Eryzipelas it has effected nearly a cure. I have just purchased a second bottle, and judging from the effect of the former, feel confident that it will effect a perfect cure.

Yours, very respectably.

Cure of an aggravated case of Eryzipelas.

The cures performed by Dr. Guysout's Extract of Yellow Dock and Sarsaparilla are lasting. The patient's general health continues to improve after disease is removed. Cures are not chronicled until time has fully tested that there can be no relapse or return of the disease.
