There is no insurrectionary movement in Lancaster county. perhaps, be acounted for by the fact, that fo the same amount of capital invested, the business of manufacturing has paid much larger profits. This may, and probably will, continue

o be the case for a long time. The fluctuations f trade, however, must at all times render the manufacturing business subject to some incident. I do not wish our brethren of the Union to think that l contingencies to which the less variable busie to the laws goes

I do not wish dur of elliptic that have been sun in any part of this State r sistance to the laws goes un detected or unpunished, or that there erists such a sen-timent as treason to the Union and the constitution.-The alleged murders of Mr. Gorsuch, whose crime in deep enough without exaggerating it, have been ar rested and will be tried. There is no warrant, depend on it, for representing the men of Lancaster county as traitors and participant as his more county movement." You do them grea iltimate profit and of greater safety.

Mr. Gorsuch had seen this letter and refers to it; and if his previous ideas were wrong of the full determination of Johnston to sustain the fugitive slaves, and all who might aid them, at every hazard short of a direct forfeiture of all

claims to the support of honest but misguided 1846... 1847 men; then we can only suppose him to be void 1848... of sense, of reason, and of all paternal feeling, if he would not speak in terms of dignified but 1850 about plain and positive condemnation to and of the man who could utter such sentiments. He seems to *feel* that the villainous course of the Abolitionists, encouraged by the Governor of the

Abolitionists, encouraged by the Governor of the crease of the demand for coal has been rapid the yacht ' State-the highest civil officer, has led to the and regular, and shows the astonishing increase at Cowes. death of his father; and he is more fully con- in amount of about 300 per cent in five years, vinced of the apathy of the Governor, and his or 60 per cent per annum. If the same ratio of sympathy for and coincidence with the real auhors of the murder, by his course when the that at the end of the next twelve years say facts were made known to him; and his letter 1863-the amount will be little, if any, short of defending and exculpating the treasonable murderers. No man, we think, not a pitiful toady of

Johnston, or a malignant and blind abolitionist ers. Even at this time I am informed many of or renegade monarchist could speak of these the mines in the neighborhood of Pittsburgh acts, and the course of Wm. F. Johnston in any other manner.

THE THEATRE.

We called in on Monday evening to see the performance of Richard III. by Mr. Roberts, a borhood, now valued at \$500, \$700 and \$1000 per acre, could have been gurchased for \$100 per acre, or less, The operations of the Charzentleman who has gained considerable fame in the eastern cities as an actor; and who comes tiers Company, to some extent at least, will tend there well recommended as a citizen. We can to equalise the value of coal lands, while at the the eastern cities as an actor; and who come, scarcely expect to see this character performed same time it will aid in furnishing the additionscarcely expect to see this character performed to our liking, after having seen the inimitable Boorn in his best days; but we must say that the whole performance of Mr. Roberts stamps him as a man of no ordinary genius; and indu-

ces the belief that he may become a star of the somewhat more remote than those which have heretofore afforded an adequate supply. first magnitude. The cast of the piece was ex-

cellent; and the performances of C. FOSTER, as need not speak ... For all manufacturing purpos Richmond, and Mrs. VICKEBBY, as Queen Eliza-es, for river and sea navigation; for gas facto beth, were loudy spplauded. The pretty, beth, were loudy spplauded. The pretty, les, and indeed for almost very purpose to pleasing, and quiet Mrs. WARMORE SUSTAINED the part of Queen Anne in her usual creditable coal that Pittsburgh over her almost inrivalled

ed through their locks in the year

To this Lieut. Turner replied in some hand-

He responded in his usual cloquent and energetic style, and concluded by reading the following sentiment :

The freedom of Bailroad intercommunication, without regard to State lines.

David Mitchell Jr., Esq. Chief Engineer of the mittee regretting that it was out of his power to Mr. Morrison Foster responded as follows: David Mutchell, Jr., Esq.-Chief Engineer

of Pittsburgh and Steubenville Railroad.—An aniable and accomplished gentleman. If the directors of that road are as fortunate in every thing as in the selection of their engineer they will have no cause to regret the enterprise have commenced.

Mr. McElrath hore stated that the Chartiers Coal Company were greatly indebted to the Pittsburgh press for the kind and friendly aid they have uniformly given to the enterprise in which he was engaged. He therefore gave The Press .- The Archimedean lever that moves the world. Mr. Harper of the Post replied, and concluded by giving the following :

The Pittsburgh and Steubenville Railroad-An important link in the great chain of Railroads between the East and the West. Its speedy completion will insure to Pittsburgh a large unt of trade, and will add greatly to her wealth and population.

The chairman then read-Gen. Wm. Larimer, Jr .- The man with the ig heart-in the right place. Gen. L. replied to this in his usual felicitou

ropean Revolution, comes, receive him with style, and concluded by giving-New York Men and New York Capito they both soon unite the Iron and the Empire cities by Bailroad down the Allegheny river. Then followed many patriotic and sentimenta ness of mining and the prices of coal are not ex-posed. And it may be a question, whether in a long period of time, or series of years, the coal songs and volunteer toasts. From the latter the following have been handed in for publication : By James M. Cooper-The Union of Enterusiness may not be regarded as one of equal love her !" prise, Capital and Labor : The three great pro-

pelling forces on the road to prosperity—either individual, associated or national. By M. Foster—The Coal Mines of Western The first grand impulse given to the coal busi-ness of Pittsburgh may be dated from the com-mencement of the business of the Monongahela

Pennsylvania: The lapidaries who are develop-ing our "black diamonds," and converting each of our hills into a "mountain of light," whose Navigation Company. I had an opportunity to-day of examining the Reports of this Company, om the year 1845 down to 1849. There pass of our hills into a "mountant of light, where brillinney, incapable of confinement in a glass case, shall cheer and illuminate a nation. By an Amateur Farmer—Men in the Coal and Cattle Line: Collings of England near a centu-ing configuration of the pred of Cat-...4,605,185 bushels.

ry ago commenced improving the breed of cat-tle, and from his stock originated the celebrated urhams.

Collins, of the Empire State, has produced I state the year 1850 in round numbers, as I ome fine stock-the "Atlantic" and "Pacific." I give you the health of Commodore Stevens, of and the glory of this Union ! the yacht "America." whose steers beat the bulls

By S. F. Von Bonhorst-The inhabitants of Chartiers Valley: The ladies by their smilles and nods on Saturday last, showed how fully erty. We can confidently point to the increase continues, which about triples the they appreciated the completion of the labors of the Chartiers Coal Company; and the gentlemen by the beartiness with which they joined in the celebration, demonstrated that the affairs five millions of tons per annum. This amount of coal must necessarily exhaust many of the

who have been the most cautious in favoring the mines nearest to and most accessible to the rivhave long since been exhausted, and others are nearly so. This exhaustion of the mines near-

have a deep place in their affections. By D. W. Price, of New York—The East and the West: United by the iron bonds of the Cen-tral Railroad:—all honor to the projectors of that great work. By J. F. Quigg—The Diamonds of Chartiers Valley: May their jewelers be fully repaid for selling them. By a Guest—A. Bennett, one of the proprie-tors of the first Soda Ash Factory west of the est the rivers must of necessity greatly enhance the value of coal lands lying farther back.---There are gentlemen now present who can re-member the time when coal lands in this neightors of the first Soda Ash Factory west of the mountains.

By L. Harper-The firemen of Pittsburgh, and sented upon our own soil, which has sent its their worthy and active representative here to-night, Capt. Edward Gregg, of the "Old Allebattle-fields? gheny." By the Company-John McDonald Crossan, proprietor of the Monongahela House, and his

able assistant, Mr. Alden.

POOR BICHARD'S ALMANAC.

We have received from the Publisher, J. Dogarticles :---Of the superior qualities of Pittsburgh coalnac for 1852, —which contains all the sayings, ac., of "Poor Richard," as written by Benjamin Franklin, for the years 1739, 1740 and 1741.— The Almenes is very neatly printed: contains The Almenes is very neatly printed: contains of uncenter to the productions of the north of Europe come to us in much larger quantities than any exports of uncenter to the productions of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to the production of the north of Europe come to us in much larger quantities than any exports of uncenter to the production of the north of Europe come to the section
