Dr. Jayne's Family Medicines.

EXTRACT of a Letter from the Rev. E. L. Abbott, a well known and highly esteemed Missionary in the kingdom of Burmah, dated

SANDOWAY ARRACAN, February, 1846.

Dr. D. Jayne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to act like a charm. Your SANATIVE PILLS are my sheet anchor.—The best medicine for my liver complaint and pain in the side that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in intermittent fever, with the most complete success. I think it once was the means of saving my own son. During my travels among the churches the past season, I found a whole village, suffering under a prevailing influenza, attended with coughs of a most violent character. I often regretted I had not half a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions.

Affectionately yours, E. L. ABBOTT.

MORSE'S
Compound Syrup of Yellow Dock Root,

OCCUPIES the front rank among the proprietory medicines of this country for completely curing Canker, Salt Rheum, Erysipelas, and all other diseases arising from an impure state of the blood. Also, Liver Complaint, Catarrh, Dyspepsia, Headaches, Dizziness, Coughs, Soreness and Tightness about the Chest; Bronchitis, or Hoarseness, Dryness, and a tickling sensation about the Throat; and is used with unprecedented success in all cases of

FEMALE WEAKNESS AND GENERAL DEBILITY.

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely vegetable in its composition, and so accurately compounded, the properties of the chemical, botanical and medical properties of each ingredient harmoniously unite to PURIFY THE BLOOD.

It has removed many chronic diseases which has baffled the skill of the best physicians, and has also cured Canker, Salt Rheum, Erysipelas and Scrofula, which Sarsaparilla Syrups entirely failed to make the least impression upon.

It has been tested in many cases of CANCEROUS HUMORS. The most obstinate Cancers have been cured by this medicine. We say that it is a valuable medicine in all BILIOUS COMPLAINTS. It removes all obstruction in the circulation, rendering the Liver free, active and healthy. It removes Palpitation of the Heart, and relieves in all cases of Asthma, and may be used in all climates, and at all seasons of the year.

For Females and Males.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of debility, impotency or barrenness, and all irregularities of nature. It is all that it professes to be—viz: Nature's great restorative, and remedy for those in the married state without offspring. It is a certain cure for seminal emissions, general debility, gleet, weakness of the genital organs, nervous affections, leucorrhoea or whites. As a vigorating medicine it is unequalled. Also, a certain remedy for incipient Consumption, indigestion, loss of muscular energy, physical lassitude, female weakness, debility, &c. It is warranted to please the user in any of the above complaints, and is of price less value to those without offspring.

To spread wide the blessings of this medicine, I have appointed Messrs. Judson & Co., of the city of New York, in the United States of America, my sole agents for its sale; and none can be genuine unless it comes through them, and their signatures are on the wrapper.

ANOTHER SCIENTIFIC WONDER!
PEPSIN!
THE TRUE DIGESTIVE FLUID,
Or Gastric Juice!
A GREAT DYSPEPSIA CURER,

PREPARED from Rennet, or the fourth stomach of the Ox, after directions by Baron Liebig, the great Physiological Chemist, by J. S. HOUGHTON, M.D., No. 11, North Eighth street, Philadelphia, Pa.

This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, CONSTIPATION, LIVER COMPLAINT, and DEBILITY, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve FIVE POUNDS OF ROAST BEEF IN ABOUT TWO HOURS, out of the stomach.

SCIENTIFIC EVIDENCE.

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowlers & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Dr. Simon's great work, the "Chemistry of Man," (Lea & Blanchard, Phila., 1846, pp. 321-2,) says: "The discovery of PEPSIN forms a new era in the chemical history of Digestion. From recent experiments we know, that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

AS A DYSPEPSIA CURER,

Dr. Houghton's preparation of PEPSIN has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once. No matter how bad they may be, it GIVES INSTANT RELIEF! *A single dose removes all the unpleasant symptoms*, and it only needs to be repeated, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY, follow at once. The Human Body must Perspire,
(SO SAYS NATURE,)
TO HAVE A HEALTHY APPEARANCE.
And persons who do not perspire are liable to the most
DISGUSTING SKIN DISEASES,

NOW, JONES' Italian Chemical Soap causes a free perspiration, and at the same time mollifies, softens the skin, giving it the texture and beauty of an infant's.

SCURVY, SALT RHEUM AND SORES, are soon not only healed, but cured by its use, as at least seven physicians in New York know, who use it in such cases, and find it unfailing—as also, in

PIMPLES, BLOTCHES, FRECKLES,

or any other skin disease. The reader is assured that this is no useless puffed nostrum, as one trial will prove. I could enumerate at least 60 persons cured of

SORE HEAD, SORE LEGS AND SORE BEARD.

Buy it, and the reader is again assured, I would not cruelly sell it for the above, unless I knew it to be all I state. Those who are liable to

CHAFED, CRACKED, OR CHAPPED FLESH,

will find this not only a cure, but a preventive; and I can now only add, that any one afflicted with any of the above, or similar diseases, will find this all and even more (admirable in its properties) than I state.

☞ But, reader, the stores are flooded with imitations, and be sure you ask for Jones' Italian Chemical Soap—and buy it only of WM. JACKSON, only agent in Pittsburgh, 240 Liberty street, Pittsburgh, head of Wood.

Jones' Lily White.

LADIES are cautioned against using common prepared Chalk. They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using prepared Chalk! Besides, it is injurious, containing a large quantity of Lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as cosmetic on the skin, making it soft and smooth. Sold by the Agent, WM. JACKSON, 240 Liberty street, head of Wood, Pittsburgh. Price 25 cents.

Pearly White Teeth and Breath,
TO BE HAD FOR 25 CENTS:

PERSONS who have either, are honorably assured that if their breath is ever so foul, or their TEETH DECAYED, DARK OR YELLOW, and encrusted with tartar, that a 25 cent box of Jones' Amber Tooth Paste will make the teeth white as snow and the breath odiferously sweet.

Sold only at JACKSON'S Store, 240 Liberty street, head of Wood. [dec20

Jones' Solution of Jet.

A LIQUID HUMAN HAIR DYE for the changing of white, red or grey hair to a beautiful brown or jet black color, in a few minutes. Price 50 cents and $1,00.

These Goods are the choice of the eastern market, being selected by the proprietors, themselves, expressly for this market. They were purchased for cash, at low prices, which will enable the undersigned to dispose of them about twenty per cent. cheaper than the prices charged by the generality of tailoring establishments in this city.

CLOTHS—French, English and American have been selected with great circumspection, and various styles of rich material for Overcoats, we have in abundance.

Our stock of CASSIMERES is very extensive and varied, including all the newest, richest and most fashionable specimens recently imported and manufactured.

Our stock of VESTINGS includes a variety of all the fancy patterns to be had in New York city; it is most varied and elegant—while some, when properly made up, present an appearance of modest grandeur. Taking the variety as a whole, it certainly surpasses any collection of Vestings ever brought to our city before.

PATENT METALLIC BURIAL CASES.

THE subscribers having recently made arrangements with the Patentees of this new and valuable invention for the manufacture and sale of the article in the West, they having been manufactured heretofore exclusively in the East, where they are superseding the use of wooden coffins, take this method of informing the public, that they are now manufacturing eighteen different sizes of the modern Sarcophagus, varying in length from 21 inches to 6½ feet, with width and depth suitable for bodies of ordinary size, and for bodies of unusual dimensions, have several sizes deeper and wider. This invention now coming into general use, is composed of a compound of the greatest of the age. These Burial Cases are composed entirely of metals, but principally of iron.

They are thoroughly *enameled* inside and out, and thus made impervious to air and indestructible. They are made in the shape of the human body, and in a classic form, are light and portable, while they combine the greatest strength which metal is capable of, in a given quantity.

When properly secured with cement they are perfectly air-tight, and free from exhalation of offensive gases. They cost but a very little more than good wooden coffins, and are better than any other article in use, for whatever cost, for transportation, vaults, or ordinary interments. As they have been proven by several actual experiments, and certified to by many of our most scientific men; also, by the Honorables Henry Clay, Daniel Webster, Lewis Cass, and other distinguished Senators who have witnessed their merits, and whose testimonials may be seen at our Agents' Burial Case Depot, No. 374 Main street, three doors above Ninth, where we intend to keep on hand at all times, such a stock of all sizes with ornaments and finish as will suit the most diversified tastes.

We invite the attention of the public, and of undertakers particularly throughout the west, to an examination of the article, and request them not to rely upon the representations of undertakers not using the article, whose interest it would be to misrepresent them.
