Daily Morning Post.

SATURDAY MORNING.....NOVEMBER 22.

River Intelligence, &c.

THE RIVER.—Last evening the river was at a stand, with 6 feet 7 inches in the channel.

☞ The *Messenger No. 2* is the Cincinnati packet this morning. Passengers will find her all that they would desire.

☞ The *Buckeye State* leaves to-morrow morning at 10 o'clock for Cincinnati.

☞ We learn from the officers of the steamer Highland Mary No. 2, (says the St. Louis Union of the 13th,) that on Monday night last, as the boat was sparring over Beardstown bar, a young man named James McKee, a deck hand, was accidentally struck by a piece of iron which flew from the capstan, and received such mortal injury that he died in a few hours. His body was brought to the city, and a coroner's inquest held. Mr. McKee was an industrious and worthy young man, and the melancholy termination of his life is regretted by all who knew him. He leaves his mother and other members of his family, who reside near Galesburg, Ill.

PENNA. AND OHIO RAIL ROAD.—The *Gazette* of yesterday states that a passenger train now runs daily to Enon Valley. The train leaves Brighton immediately after the morning ten o'clock train from Pittsburgh arrives, and goes to Enon Valley and returns in time for the afternoon train, which arrives here at three. On Monday next, it is expected that an express train, to Enon Valley, will be put on the line, which will leave the Federal street station at eight o'clock A. M.

The iron is now laid 45 miles from Pittsburgh, and the gap between Enon Valley and Salem will be filled up in four or five weeks. Two gangs are laying the track between Alliance and Massillon, and the cars will probably run to Massillon, 110 miles from Pittsburgh, early in January.

LICENSES.—This question is again brought upon the tapis. The friends of temperance have struggled with laudable enterprise, for many years, to suppress the sale of intoxicating drinks. But the more they have struggled the more the evil has increased. We have long thought that in their worthy efforts the foes of intemperance have used their strength to destroy it when in full bloom, instead of nipping it before it blossomed. They should commence at the fountain head. Kill the *Worm of the Still*, prevent the importation of intoxicating liquors, and then the Courts will have no trouble to regulate doggeries, for there will be none to regulate.

THEATRE.—The lovers of exciting Dramatic amusement will have a treat at the Theatre tonight. The thrilling drama of Jack Sheppard, founded upon facts, and a play based upon the history and recent exploits of Kossuth—the Hungarian patriot whose name is now so prominent before the world—will both be performed with due regard to dramatic effect. The Dancers will both appear.

The Fairy Spectacle of Cinderella has been for some time in preparation, and will be produced next week in magnificent style, with entire new scenery of the most splendid description. This beautiful operatic play we believe has never been produced in this city.

"OUR HOUSE," on yesterday, presented a very gratifying aspect to all epicures. The front was fairly *garnished* with Pheasants, Partridges, Ducks, Squirrels and Venison; and the inside showed the usual supply of all those excellent dishes that BENFIT so well knows how to prepare. It is surprising to see how many call in every day to get such a dinner as cannot be very easily obtained elsewhere.

☞ We were favored, yesterday evening, with a specimen of the fine Oolong Tea, which is for sale by W. A. McClurg & Co., No. 256 Liberty street, at the astonishingly low price of 60 cents a pound. We consider ourselves judges of this article; and hesitate not to say that it is the best article for the price that we ever tasted.

WHO ARE THEY?—The Grand Jury have acted on over four hundred and fifty bills, charging various persons with every grade of crime, from murder down to petit larceny. So says the Tribune.

THE FLOWER BASKET.—We are indebted to the editor of this interesting little monthly for the November number. It is of that excellent class of publications which every man who has done any thing for his country in the way of adding to the rising generation, should have in his house.

DECIDED.—His Honor Judge McClure yesterday decided a question of evidence argued before him on Tuesday. The decision, in substance, denies the right of the attorney, when examining a witness in a case of obtaining goods under false pretences, to ask whether or not they were given on the strength of the representations which the defendant had made. The ground of this decision is, that if the evidence is admitted, the witness is stating to the jury as a *fact*, what is his *mere opinion*.—*Gazette.*

WHEELING BRIDGE CASE.—The argument in this important case will not be taken up before the Supreme Court of the United States at Washington until the Christiana riot cases are disposed of, when Judge Grier will at once go on. It is supposed that it will be argued about the 1st of January.—*Gazette.*

EXCITING.—Quite an excitement was raised yesterday evening, in consequence of the workmen on the Central Rail Road drawing the locomotive "Indiana" out of the Canal, preparatory to placing her on the track, on Liberty street.—They also pulled out a passenger car, both of which will be placed upon the track immediately.—*Tribune.*

☞ FIRST OF THE SEASON.—Received this morning, by Express, a fine lot of VENISON, from the Mountains, at "OUR HOUSE," NO. 24 DIAMOND Alley.

☞ FRESH OYSTERS received daily by Adams' Express, at the WAVERLEY HOUSE, Diamond Alley.

Death to the Rats!

IT is a notorious fact, that of all evils, none are held so much in abhorrence as those of Rats, Mice, Roaches and Bed Bugs; and to have them exterminated to the wish and desire of all. A preparation has been discovered by which those who reside may become rid of this evil which infests, more or less, every house in this city.

This preparation has now been in use in Germany about nine years, (and in the United States for the last seven), and by those who have given it a trial, been pronounced the best remedy they have ever used for exterminating Rats, Mice, Roaches, Bed Bugs, &c.

The articles composing this composition are in themselves very innocent, and contain not a particle of *Poison* but when combined create a gas, which explodes the stomach and consequently destroys life in a few hours—as soon as it has affected the stomach, the articles become neutralized and it will affect nothing thereafter, so that there can be no danger in its use under any circumstances. Prepared and sold, wholesale and retail, by

Also, for sale by T. Lang, corner of Penn and Ferry streets; and Wm. Griffin, Pride street, Eighth Ward.

DAILY REVIEW OF THE MARKETS.

OFFICE OF THE DAILY MORNING POST,
Saturday, November 22, 1851.

The weather yesterday was cold and chilly, and quite unpleasant for out door operations. We were visited with a very heavy rain on Thursday evening, which lasted almost the entire night, and from which we may again expect an addition to our present stage of waters. Business for the season is moderate.

FLOUR—The receipts on Thursday were large, principally, however, for shipping. We have sales reported of about 300 bbls on the wharf and from wagons, ranging from $3,15, 3,14, 3,12@3,20 for superfine; extra, 150 bbls at $3,25@3,31. Friday the receipts were light, with limited sales; we note sales of about 200 bbls on the wharf at $3,10@3,12; 50 bbls extra at 3,20; 40 do at 3,20; from stores sales of about 150 bbls at 3,18@3,25.

BUCKWHEAT FLOUR—There is a good shipping demand for sacks, with sales of 200 at 90@95 per sack; sales of 1400 lbs at $1,62½

GROCERIES—The demand is moderately good for orders to the country. We have sales of 40 hhds Sugar during Thursday and Friday, ranging from 4¼@4¾. Molasses: sales by the bbl at 27½@28c. Coffee: we note regular sales at 9½@10c; 10 bags Java at 12c.

GLASS—There is more enquiry for Window Glass, particularly for city. We were informed by one manufacturer of his inability to fill orders as fast as they come in. We note a sale of 200 lbs 8x10 at $2.25, 4 months —country brands.

SALT—The demand is brisk, with ready sales at $1,10 per bbl of 280 lbs.

FISH—Sales of 25 bbls No 3 small Mackerel at 6,87; 15 do large at 7,00; by the bbl at 7,25@7,50.

CHEESE—Further sales of 95 bxs at 6c; 40 do at 6½c. Receipts large.

APPLES—Sales of 20 bbls on the wharf at 2,60 per barrel.

RICE—Sales of 10 tres at 3½ time.

BUCKETS—We note a sale of 20 doz at 1,95, cash.

BUSINESS ITEMS.
