Eanufacturers of Phenix Fire Proof Safes, Second street, between Wood and Sonithfield. ONtweady a fairmoon, July 25, 1948, the undersigned were called upon by Messre, Luprencett & Barr, to wittees an honest and fair test of one or their Phemix Safes. The furnace being prepared, iae Safo, was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fare kindled at a quarter past 3 o'clock, and in a short time the Safe was red hot, and continued till haif past 6 o'clock, being about four and a haif hours, when the committee expressed their safisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money wafe. The heat was so great as to melt of the brass mountings. We therefore take pleasure in recommend-ing these Sates to the public, as being, in our judgment, entirely fire proof.
