FROM WASHINGTON. WASHINGTON, Dec. 16. The Republic and Intelligencer of this morning are very severe upon Kossuth and his projects, and the course of certain New York papers, which they assert are turning his head by ful-some adulation. The Republic says that his money project is another Lopez loan, and asserts that a hundred millions of dollars would be required for a successful revolutionary conflict in Hungary. The Intelligencer ridicules Kossuth's interpretation of Washington's policy, remarking that the doctrine of non-intervention and neutrality was the doctrine alike of civilization,

The Lebauon Farm and Nursery for Sale.

THIS FARM contains 100 acres of the pulsard. It is within five miles of Fitts-Sales burgh, on the new Washington Turnpike, about 40 acres adjoining the road, which would now sell for \$200 per acre, if divided into lots. The buildings are all new and cost \$4,200. The orchard and fruit are experimental.—Fourteen years ago I imported from the Eastand West, sig great expense, all of the best kind, and there was sold this season over eight hundred dollars worth of Fruit.

The Nursery-contains of the above stindard, from 40 to 50,000 Fruit Trees, and one-half of them will be fit to sell and transplant this coming, fall and spring.

The above valuable property will be sold in whole or in part to suit purchasers, and a reasonable credit given Secured by bond and mortgage.

The reason 1 ofter my residence for sale, is that all my sons have died, and I find auch a large husiness too irksome for my age.

CUTFON—in our last weekly review we had occasion to notice an advance in our great staple, occasioned by the favorable advices from Europe, which, however, had been almost entirely lost at the close of business. The market continued easy for purchasers throughout Saturday, Monday and Tuesday, and the saies of these three days—which comprised about 14 000 bales—showed a further reduction of fully 1 of a cent. On Wednesday and Thursday, factors exulbited more firmness, and on these two days 12,500 bales changed hands ut steadier and more uniform prices. Yeaterday the Humbold's news of 1d advance at Liverpool being received, buyers came forward freely, and searly 9000 bales were sold, saking a total for the week of 35,500 bales, taken main-ly for Great Brittin and the Continent of Europe, with some few parcets for our Eastern ports. Prices closed one silver anchor watch, 13 Jaweis, P. Miller; one do de 13 do, A. Monthances; one silver lunting case watch made by R. THE BEST FEMALE MEDICINE KNOWN THE SHAKER PREPARED "VELLOW DOCK" AND THE "RED HONDURAS" SARSAFARILLA." are the invaluable remedial agents from which "Dr. Guyzott s Improved Extract of Vellow Dock said Sarsaparilla" is formed; and the laboratory of Dr. Guyzott has given us the virtues of these roots in their perfection. His preparation gontains all the restorative projection of the roots, combined and concentrated in their utmost strength and efficacy.

Experiments were made in the manufacture of this medicine, until it was found that it could not be further improved.

Experiments were made in the manufacture of this medicine, until it was found that it could not be farrher improved.

Accordingly, we find it resorted to, almost gaiversally, in cases of Hepatic, Scorbuic and Cutaneous complaints for general prostration of all the vital powers, and all those tormenting diseases of the skin, so trying to the patience, and so injurious to health.

[D7 Scrofula, Spphilis, Mercurial Complaints, Cancer, Gahrwas, theumatime, and a cast variety of other disagreed and Langerous diseases are spetially and perfectly cured by the use of this medicine.

Mr. John D. Park—Dear. Sir: It, is, with unuterable feelings or gratitude that I am able, through the Divine Providence of God, and by the wonder-working agency of that excellent medicine, "Guyzout's Yellow Dock und Sarsaparilla," to give you a few symptoms of my almost hopeless case.

In the winter of 1850, I was attacked with a severe pain, which was gradually extending through the object of the fight side and leg; at the same, time, a total prostration of my physical system; also, my leg had shrank to about two thirds of its common size. I procured the attendance of the worst forms of liver complaint. He said my case was one not cavily handled, but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured of your agent at this place, W. A. Beers, two boules of Guyzout's Yellow Bock and Sarsaparilla, from which I received a wast amount of benefit. After having taken four bulles more, I was able to pursue my business without any loconvenience, and have been aince (hat time a wall man, while but a short lime since I was confined to my bed three-fourths of the time; and I cannot active the return of my, health to any other quase than by the agency of that truly valuable medicine, Guyzout's Yellow Bock and Sarsaparilla, Hassell. Valuaplers.

Salins, October 14, 1651.

Sir. J. D. Park—Dear Sir. I send you the foregoing certificate, and so far as I am acquainted with his case, it is all true. I procured it, thinking it might be a beneusing it as you think best. Yours, W. A BEERS

The following Letter is from a highly respectable Physician, to be enjoys as a circurses gractics:

Navana, (Sunk Co., O.), Nov. 1, 1851.

Dr. John D. Park—Dear Sir: "Dr. Guyzotl's Extract of Sarsaparilla." This medicine has been prescribed by me for the last three years, with good effect, in general debility, Liver Complaint, Saundice. Dyspensis, Chronic and Nervous diseases. In all Fernale Complaints it certainly is unequalled.

In the use of this medicine the palicul; constantly gains strength and vigor, a fact worths, of great consideration. It is pleasant to the taues and smell, and can be used by persons with the most delicute stomachs, with safety, under any circumstances. If any s, raking from experience, and to the afflicted I advise its use.

Among the numerous discoveries Science has made
in this generation, to facilitate the business of life, increase its enjoyment, and even prolong the term of furman existence, none can be named of more real value,
to mankind, than this contribution of Chemistry to the
Healing Art. A vast trial of its virtues throughout his
broad country, hasproven beyond a doubt, that no medicine or combination of medicines yet known, can so
surely control and cure the numerous varietize of pulmonary disease which have hitherto sweet from ourmidst thousands and thousands every year. Indeed
there is now abundant jeason to believe a Remedy, has
at length been found which can be relied on to cure the
most dangerous affections of the lungs. Our space here,
