JOSEPH LIPPENCOTT. LIPPENCOTT & BAIR, (LATE J. LIPPENCOTT & CO.)

Manufacturers of Phœnix Fire Proof Safes, *Second street, between Wood and Smithfield.*

ON Tuesday afternoon, July 8, 1845, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The former being prepared, the Safe was placed in the furnace, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 3 o'clock, and in short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such a test was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

JARVIS & TRABUE. NOCK & RAWSON, CORNWALL & BROTHER, BRANNON & THATCHER, BENEDICT & CARTER, ISAAC CROMIE.

I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can freely say there was no humbug about it, and with pleasure recommend them to the public as being, in my judgment, entirely fireproof. WM. KAYE.

In calling upon the above gentlemen for their signatures, they I spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire proof. We have constantly on hand and for sale a full assortment of the above Safes. BELL & TERRY.
