Saling, (Michigan), October 6, 1851.

Mr. John D. Park—Dear Sir: it is with unuterable feelings of gratitude that I am able, through the Divine Providence of God, and by the wonder-working agency of that excellent medicine, "Guyzou's Yellow Dock and Sarsaparilla," to give you a few symptoms of my almost hopeless case.

In the winter of 1850, I was attacked with a severe pain, which was gradually extending through the whole right side and leg; at the same time, a total proximation of my physical system; also, my leg had shrunk to about two thirds of its common size. I procured the attendance of a skilful practitioner, who pronounced my disease one of the worst forms of liver complaint. He said my case was one not ex-sity handled, but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured of your agent at this place, W. A. Beers, two bottles of Guyzou's Yellow Dock and Sarsaparilla, from which I received a was amount of benefit. After having taken four bottles more, I was able to pursue my business without any inconvenience, and have been since I was confined to my health to any other cause than by the agency of that truly valuable medicine, Guyzout's Yellow Dock and Sarsaparilla. HASSYL YAURIPER.

Mr. J. D. Park—Dear Sir: I send you the foregoing certificate, and so far as I am acquainted with his case it is all true. I procured it, thinking it might be a benefit to you and the afflicted. You have the privilege ousing it as you think best. Yours, W. A. HEERS. The following Letter is from a highly respectable Physician, who enjoys an extensive practical, physician, who enjoys an extensive practical; 1851.

Dr. Jahn D. Park—Dear Sir: "Dr. Guyzovi's Extract of Sarsaparilla.". This medicine has been prescribed by me for the last three years, with good effect, in general debility, Liver Complaint, Jaundice, Dyspensis, Chronic and Nervous diseases. In all Female Complaints the graphy is unconsiled. Chronic and Nervous diseases. In all remaic com-plaints it certainly is unequalled.

In the use of this medicine the patient constantly gains strength and vigor, a fact worthy of great con-sideration. It is pleasant to the tasts and smell, and can be used by persons with the most delicate stomachs, with safety, under any circumstances. I am a praining from experience, and to the afflicted I advise its use.

Extract of a Letter from an extrustive Merchanti in Newmach, Witconsin.

Mr. John D. Park—Dear Sir: I am out of your "Wistar's Baisam of Wild Cherry," and "Dr. Guyzout's Extract of Yellow Dock and Sarsaparilla." Please forward a supply immediately.

Your Haisam of Wild Cherry worked to a charmhere,—not a bottle failed of affording immediate relief, and in every instance but one (an old gentleman of 71 years of age), it cared, and the Yellow Dock has done equally as well. I took three bottles myself, last fall, and enjoyed perfect health last winter, for the first winter for eleven years, being troubled with a severe eruption of the skin, which laid me up from two weeks to four months every winter and spring, nutil last winter. Henry E. Jones, a brother merchant and aparticular friend of mine, took two bottles of the Yellow Dock for a Scrolatons Eruption, which jins worked an entire care.
