HUMBUGGERY.-The Washington Telegraph says :-- "Much is said by the press about the manner in which Barnum has been humburged with the 'Fire Annihilator.' The press itself has been humbugged quite extensively into puffing it. This is a weakness of the press generally. If it were to refuse at least all gratuitous trumpet-blowing for the promotion of private interests, the public would not be so often duped."

[au] III in calling attention to Dr. GUYZOTT'S Improved Extract of Vellow Bock and Sarseparlia, we feel confident that we are doing a service, to all who may be at flicted with Scropulous and other disorders originating in hereditary taint, or from impurity of the blood. We have known instances within the sphere of our acquain-

ance, where the most formidable distempers have been used by the use of Guyzel's Extract of Yellow Dock and Sarsaparillo alone.

It is one of the few advertised medicines that cannot be stigmalized with quackery, for the "Killow Dock" and the "Sarsaparilla" are well known to be the most efficient, (and, at the same time, innoxions) agents in the whole Materia Medica. and by far the best and purest preparations of them is Dr. Guysou's Yellow Dock and Sarsaparilla. See advertisement Ayer's Cherry Pectoral.-We would cal if Ayer's Cherry Pectoral.—We would can the attention of our readers to this excellent medicine, with the satisfaction one feels in praising a benefactor. Having been afflicted by the actious effects of a cold seated on the lungs, and bond relief and cure from its use, we can add our testimony to the much plready given to prove its singular mastery over disease. If any medicine before the community can be relied on to cure affections of the throat and lungs, it is Ayer's Cherry Pectoral.—Christian Observer.
