original inventors, Carhardt and Needham, New York.
This Instrument is equal in point of power and volume
to any small organ, and far preferable to it for subscribes
of conc, capacienty to stand in tune and facility for transporting. These instruments are made expressly for
church use, and owing to the lowness of price are fast
supersetting the organs. The public are respectfully
invited to call and examine this fine Melodern previous
to its leaving the subscriber's wareroom, it having been
purchased by a congregation in this city.
