FOR PRESIDENT.
WILLIAM A. R. KING,
OF ALABAMA.
Subject to the same decision.

Yesterday afternoon, Kosuth addressed the German Association of Friends of Hungary, in the German Lutheran Church, at Sixth and Smith-streets. The pastor, the Rev. Mr. Wagoner, introduced Kosuth, and the address was made by J. F. Muehler, Esq., editor of the Staats Zeitung, in a very happy and effective manner. The entire services were conducted in German, but we were enabled to give a fairly fair abstract of the proceedings.

On the introduction of Kosuth to the assembly, the choir sang a very appropriate and beautiful anthem—"Hail to the Saviour." Mr. Muehler then addressed him in substance as follows:—

"The bridge resolution originated with Eiel and certain gentlemen from Washington county, New York, and is still very fresh in the memory of the members of both Houses, who were invited to the bridge by the Hon. Mr. Van Ness, who sang the Marcellus ball, and sent up a copy of the resolution, calling for copies in the House of Representatives, and five hundred copies ordered to be printed."

The second letter states that a member from Westchester had written a petition signed by thirty or forty citizens of Pittsburgh in favor of the resolution, and that he had taken it with him to New York, and requested Kosuth to sign it, and that he had not done so, as he considered it would compromise the flag of the United States, and that he had addressed the following letter to Kosuth:—

"The Government of the United States has been established by the people, and it is the duty of every citizen to support it, and to defend it against all enemies, foreign and domestic. I am, therefore, unable to sign the resolution, as it would compromise the flag of the United States, and thus weaken the power of the Government."

At the same time, I have the honor to acknowledge the receipt of your letter, and to express my sincere appreciation of the interest which you have taken in the cause of the United States. I am, however, unable to sign the resolution, as it would compromise the flag of the United States, and thus weaken the power of the Government."

These are the incidents of our staying in the Bay of Marcellus. We were pleased to judge convenient to send word to you (and that, also, not directly, by a letter written to Capt. Long), that we were still in the Bay of Marcellus, and that we had been compelled by the winds to remain there."

IMPORTANT DISCLOSURES.

KOSUTH AND CAPT. LONG.
DIFFICULTIES ABOARD THE MISSISSIPPI.

The following highly important document was received by us last night, and is here published as it appeared in the New York Daily Times of yesterday morning, and gives an authentic account of all the facts in relation to the difficulties which occurred at Marcellus between Kosuth and Capt. Long, and the result of the same. It is, in all respects, a most interesting and important document, and we have no doubt, but that it will be read with interest and satisfaction by our readers.
