Physicians approve of it because it is based upon correct Physiclogical and Pathological principles. The public approve of it, because it is common Sense, and because they know, from sait experience that one preparation will not cure the three stages of Consumption.

The suffering, disappointed and discouraged invalid upproves of it, because its principles hold out a reasonable Afope, and when he uses Natall's. Syriacum, has hopes arrealized.

If he is in the first stage of Consumption, and uses the first bottle, his expectoration, difficult and painful, becomes free and casy, his cough soon gets well; the sorness, tietling in his throat inflammation, pains his because its in the Second stage and uses the second bottle, his fever leaves h m; his disturbed slambers become sweet and refreshing; his might sweets vanish; his expectoration copious and bloody, assumes a healthy appearance, and at length disappears; his bowels become regular; his appetite returns; the flush in his check disappears; the burning heat in the pains of his hunds and soles of his feet are felt notonger; his cough now ceases; he recovers and is well.

NEWSPAPER OFFICE FOR SALE. — A first-rate of portunity is now afforded to go into the Newspaper business. The whole or one-half of a Democratic paper, in one of the Western connites of Pennsylvania is for sale. The County is decidedly Democratic, and the office enjoys the whole of the County patronage. The paper has a goad circulation and its business is profitable. Private and encontrollative reasons alone, induce the present progressors well.
