## Marly Morning Post.

To the Women of the West. A large number of the women of Pittsburgh, Allegheny and their vicinities, animated by an than might have been adopted; but as there ardent love of Liberty, and deeply sympathising were no hones broken, the little fellow may well

with the oppressed people of Hungary, have be contented with the sum that he received. mited for the purpose of affording them relief. The title of their organization is \_ ""The Ladies" Association of the Friends of Hungary." This body has agreed to preserve its organization and to continue its efforts and its contributions. until the aid of the Association shall be no long-In the House, a committee was appointed t examine into the solidity of the foundation er required. Impelled by an ardent desire to see this good the wings of the Capitol, with power to send for work more extensively carried on, our Associapersona and papers, and to examine witness under oath. The debate was resumed in the Committee tion have deemed it not improper to call the attention of their sisters of the West, and, of the

country, generally, to this subject; and have the Whole, on the bill making land warrants assignable, and for other purposes. Mr. Coulter moved to amend the bill by giving deputed us to perform this duty. Acting on behalf of so large a body, we therefore earnestly land to such persons as had performed volu and affectionately entreat you, from this thresmilitary services on the frontiers, which was reject hold of the Great West, to form similar Associa-Mr. Stevens proposed to strike out all but the tions, for a similar purpose, in your cities, first section, which relates to making land war towns, and villages wherever there is a suffiintersection, which relates to making inter war-rants assignable; and afterwards considered the propriety of giving additional compensation to land officers. Mr. Mason charged that there was an extencient number of hearts that prize our own free Institutions, and sympathise with the brave Hungarians, who groan under the heavy yoke of sive conspiracy existing among Senators to de-feat the bill making warrants assignable. Despotism. It is impossible for Governor Kossuth, during his limited stay in our country, and On motion of Mr. Jones, all after the first section was stricken out. in his impaired state of health, to visit and The committee then rose; the amendment was address the people in every place where warm concurred in by the House; and the bill wa hearts may glow for the emancipation of his sufpassed containing only the section making land warrants, assignable. The Speaker submitted a communication from fering countrymen. But if he cannot personally address Associations of the Friends of Hunthe Speaker submitted a communication from the Secretary of War, announcing that the Pre-sident had approved of the purchase of 260 acres of land, near the city of Washington, as a site for the asylum for invalid and disabled solgary in every locality, he can and will acknowledge, by letter, any contributions of "material aid" for obtaining the freedom of his beloved Fatherland; or, wherever he may be, will in The Board of Commissioners have provided a person receive your deputations for this purtemporary asylum, near Washington, for person entitled to the benefit of the act. pose. We hope, therefore, that you will not de-The House then adjourned. In the Senate, to day, Mr. Cooper presented lay your active co-operation until the arrival of Governor Kossuth among you; but that you he petition of the Pennsylvania Agricultural will form yourselves into Associations of Friends lociety, for the establishment of an Agriculture of Hungary, and send your contributions to him Rurea A joint resolution was adopted, appropriating \$10,000 for continuing the work, during the winter, on the Capitol extension, provided that as soon as possible. We have heard and seen Louis Kossuth, the work shall not be carried on in unsuitab

great Apostle of Freedom; we have listened to his moving appeals; and our hearts have thrilled weather. Mr. Gwinn moved the postponement of the beneath his soul-stirring eloquence. We have the resolution, giving to Donelson & Armstrong, the printing of the census returns. confidence in the justice of the cause he advocates; and we feel convinced of his honor, his devotion, and his noble disinterestedness. We Mr. Badger opposed the motion, and, after debate, it was decided in the negative, and the regret that every one cannot hear him, and thus be moved by the magic of his living presence; but The bill for the relief of the executors of Com you have all doubtless read the addresses he has Warrington and others, paying them the whol delivered since his arrival in the United States, prize money resulting from the capture of the British sloop Epervier, was taken up, and passand consequently no labored argument by us is necessary to encite your sympathy in behalf ed, when The Senate adjourned. of his oppressed country. In the Providence of God, we are permitted

to enjoy the blessings of a free Government. In

the midst of our prosperity let us not forget,

it that food and clothing, money and arms were

brought by generous hands, to be consecraon the altar of Freedom. Thus, when

them came also much aid, beside that of stern

wills and stout arms. And shall we now re-

fine our sympathy and benevolence to our own country, and close our ears to the cry of suffer-

ing Europe? If we really value liberty, will we

not try to prove our devotion ? The ladies of this Association know too well the character of their

sex, to doubt their deep interest in such widely

extended good ; and they, therefore, appeal to you with confidence, and invoke you, by all that is dear to us in our own happy Institutions-by all that we have to see accomplished by those

Institutions in the future-by all the ties we re-

gard as sacred-to join in aiding the people of

so dear. This can only be done by assisting that nation to obtain their Independence. To do this

the moral influence of woman, rightly exerted,

as well as her contributions of money, and such

other aid as she may feel at liberty to extend, are all required. We therefore earnestly request

and beseech you to exert yourselves in this glorious enterprise, by lending your permanent and

efficient aid to the cause of down-trodden Hun-

 COLTS REVOLVERS – Just r The above medicines can be had in this place of febs WILLIAN JACKSON. Chamberila's Commercial College. (CHATTERED A. D. 1850.) Idented at the corner of Market and Third strett. THE Plan of Instruction pursued in this Institution, in reference to BOOK KEEPING, has been teated by the Principal for a long period; and is practical, as well as theoretical, in all its operations. The student is, not confined to any particular printed book, but is exercised of a great variety of practical forms, such as are of daily occurrence in the various departments of trade. Prec Lectures on Commercial Law are delivered at the College every Alonday evening, by Measura. WATSON and STOWE, commercial To olock. There is connected with the institution a Commercial Library, affording superior advantages to the students, thus enabling every one to become familiar with the instead of the particular for the students. A department is opened for the purpose of marracting mechanics and brance, in the rinking con-structing machinery, caginesring, &c. By reference to our principal merchants and luxiness ments will be found that there is no finstitution in this risk will the found that there is no finstitution in this risk will the found that there is no finstitution in this risk will be found that there is no finstitution in this risk will the found that there is no finstitution in this risk will be found that there is no finstitution in this risk will be found that there is no finstitution in this risk will the town of advantages for drahling, com-tronting machinery, caginesring, dc. AHEAD OF ALLI EXTRACT OF AMERICAN OIL. PREPARED and sold by JNO. YOUNGSON, 209 Liberty street. This powerfully concentrated pre-paration; the medical virtues of which are found to be eight times the strength of the original American Oil. It is put up in bottles at 25 and 274 cents, each, with full directions for its are. In every disease where the origi-nal American Oil has been found at all effeacions, and it so far exceeds the original power, as to render it the was held last night at the Court House. Reso-lutions were passed, sympathising with Kossuth, and inviting him to visit the city. Several the French vessels came to our assistance, with speeches were made, and a committee of arrange wills and stout arms. And shall we now re-fuse to the patriots of Europe a return for their generosity? Shall the women of Ameri-ca prove less active in their sympathies than were the French nation in our sacred cause? Do we not regard National Liberty as a pre-bow to the function of the state of the share here committed by the superstate of the state of the state of sumatra in 1850, of \$20,000 in specie. The robbery at the time was supposed to have here committed by the
