Mr. John D. Parke-Dear Str. f am ont of your "Wiltings Balsam of Wild Cherry," and "Dr. Guyzott's Extract of Yellow Dock and Sarsabarilla." Please forward a supply immediately;

Your Brisam of Wild Cherry worked to a charm here—not a bottle failed of affording immediate relief, and in every instance but one (an old gentleman of 71 years of age, it cared, and the Yellow Dock has done equally as well. I took three bottles myself, last fall, and enjoyed perfect health last winer, for the first winter of elven years, being troubled with a severe emplion of the skin, which laid me up from two weeks to four months every winter and spring; and hast winter. Henry E. Jones, a brother merchant and a particular friend of mine, took two bottles of the Yellow Dock for a Scrolalors Emplion, which has worked an entire one.
