A SINGULAR DREAM Some hindly yours ago there flourished in Glasgow a club of young men, which from the extreme profigacy of its members, and the li-centiousness of their orgies, was commonly call-ed the Hell Club. Besides their nightly or ad the Hell Club. weekly, meetings they held one grand annual saturnalla, in which each one tried to excel the other in drunkenness and blasphomy; and on these cceasions there was no star amongst then

whose lurid light was more conspicuous that that of young Mr. Archibald B., who endowed with brilliant talents and a handsome person and held out great promise in his boyhood, and raised hoped which had been completely frus-trated by his subsequent reckless dissipation. One morning after returning from the ann festival, Mr. Archibald B., having retired to bed dreamed the following dream; He fancied that he himself was mounted on

favorito black horse that he always rode, and he was proceeding towards his own hous then a country seat embowered with trees, and then a country seat embowered with trees, and forming part of the city-when a stranger whom the darkness of the night prevented his dis-tinuly discorning, suddenly seized his horse's rein, saying, "You must go with me?" "And who are you?" exclaimed the young man, with a volley of oaths, while he struggled to free himself. rec himself. ''That you will see by and by,'' returned the free himself

other, in a tone that excited unaccountable ter other, in a tone that characterist unaccountaries the ror in the youth, who, plunging his spurs into his horse attempted to fly, but in yain. How ms norse it is a simal flew, the stranger was be-side him, till at length, in his desperate efforts to escape, the rider was thrown; but instead of being dashed to the carth as he expected, h found himself still falling, falling-falling still as if sinking in the bowels of the earth At length a poriod being put to this mysteri ous descent, he found breath to inquire of hi aignificant. companion, who was still beside him, whither

they were coing. "Where am I? Where ar you taking me ?" he exclaimed. 'To hall I" replied the stranger; and imm diately interminable echoes repeated the fearful sound, "to hell I to hell I to hell I" At length a light appeared, which soon in-creased to a blaze t but instead of the cries, the grouns, and lamentations which the terrified says :-trayeler expected, nothing met his our but "We do not believe there need be any Whig sonnils of music. mirth and jollity; and he found himself at the entrance of a superb build

ing, far exceeding any he, had seen constructed by human hands. Within, too, what a scenel ischief alor No amusement, employment, or pursuit of man on earth but there was, being carried on with a rehemence that excited his mutterable amaze-ment. There the young and lovely still swarm through the mazes of the giddy dance! There the painting steed still bore his brutal rider, through the excitement of the goaded race! There, over the midnight bowl, the intemperate rass the party in the canvass, and reduce Gen. still drawled out the wanton song or maud lin Scott's majority-but no convention can be go blasphemy ! The cambler nlied forever his end together of which a majority will vote to run th less game, and the slaves of mamon toiled ship on the rocks when they might just as well agh eternity their bitter task: whilst all carry her gallantly into port with the signal o the mugnific e of earth paled before tha triumph streaming at the mast head.

which now met his view. He soon perceived that he was among old ac quaintances, whom he knew to be dead, and of the party-he desires to ge it "blind," for each, he observed, was parsuing the object, whatever it was, that had formerly engrossed him; when, finding himself relieved of the presence of his unwelcome conductor, he ventured paddress his former friend Mrs. D_____ they would meet together. In this view, there whom he saw siting as had been her wont on earth is sense in Greely's objection to a Convention, absorbed at loo-requested her to rest from the game, and introduce him to the pleasures of the but in his recommendation to his party, he shows place, which appeared to to be very unlike what he had espected, and indeed an extremely agree-bis party as he believes it to be of common sense. But, with the cry of agony, she answered that there was no rest in hell; that they and published, that Tennessee would, in its must ever toil on at those yery pleasures: and
