An Expression of Gratitude.
DR. BLANCHARD—Dear Sir—In this with feelings not easily described, that I have determined to address you this letter. Previous to consulting you, I had suffered for several years from the effects of Self Abuse, and feel it a duty I owe to express my gratitude to you, and to declare to the world that your course of treatment, both in a moral and physical sense, has been of the most beneficial character. In early life, at school, I learned the habit of Self Abuse, and continued the practice for six years, without being aware of its sinful nature, or the terrible consequences sure to follow its indulgence. I first observed my appetite very much increased; but could not be satisfied, I began to lose flesh very rapidly, and exhibit considerable emaciation. After a time, my power of mind became impaired, and I found my memory not so good as formerly. I also experienced a total disability to concentre my mind on any business for even a short time. A certain dimness of vision, and pain in the back part of my legs became very feeble, and entered in weakness. In this I am but little difficulty in retaining my urine. In this enfeebled condition, my friends advised me to consult the family physician, who soon put me under a course of mercurials. I submitted for a short time, but finding no benefit, I discontinued the use of them, and I was now reduced to a complete wreck, both in body and mind. My friends, seeing the habit, pointing out the most appropriate remedies, but all to no purpose. I was now advised to consult you, which I did so, and cannot let the present opportunity pass without again adverting to the beneficial effects I have derived from your medicines, and the kind attention you have always paid me. How great must be the reward here and hereafter, dear Sir, for that man who is the means of saving one of his fellow creatures so much happiness in this life, as you have done mine. Encased you will have no need of saying any more. Encased you will find a token of my gratitude.
I remain yours, ever grateful,
J. JOHNSON.
