

The Origin of Coins

The rate of the world's fair medals... The medals were made of gold...

In the early days of mankind, all traffic... The medals were made of gold...

It was not until the year 1800... The medals were made of gold...

Even at this day, the coined money of Europe... The medals were made of gold...

A word more, and we shall have "colored... The medals were made of gold...

There has, however, recently been a terrible... The medals were made of gold...

The American barque Florida, which I mentioned... The medals were made of gold...

To Protect Sheep from Dogs... The medals were made of gold...
