[IT] In calling attention to Dr. GUVZOFTS Improved Extract of Yellow Dock and Sarapparilla, we feel confident that we are doing a service to all who may be afficient with Scroftelous and other disorders originating in hereditary than, or from impurity of the blood, We have known instances within the sphere of our acquaintance, where the most iformidable distempers have been cured by the use of Gruzoit's Extract of Yellow Dock and Saraparilla clone.

It is one of the few advertised medicinas that cahnot be stigmatized with quarkery, for the "Yellow Dock and Saraparilla done, are well known to be the most efficient, (and, at the same time, innoxious) agents in the whole Materia Medicina, and by far the best and purest preparations of them is Dr. Guyzou's Yellom Dock and Saraparilla. See advertisement

Ann Small, who was fined \$50 for being a vary through and dollars." It is to be called "Bleak House or the East Wind," and will be completed in twenty numbers. The first part will appear in the April number of Harper's Magazins.— When it is recollocted that Dickens will receive a still larger sum in England for his production, it must be confessed that novel writing is after all a tolerable renumerative em playment to some people.

The New British Ministry is considered a very weak one, and predictions are already made that it will some dissolve. Lord John Russel, in a speech delivered in Parliament, on his resignation, said that he should think it his duty to oppose, out of office, as he had in, any restoration of the duties on corn, whether under the mane of protection or of revenue. He would support the extension of the duties on corn, whether under the welfare of the ocuntry, believing that are warded with the world appear the extension of the duties on corn, whether under the welfare of the ocuntry, believing that such an any restoration of the duties on corn, whether under the welfare of the ocuntry, believing the area of the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the best materials and modern size in the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the welfare of the ocuntry, believing that such an any restoration will add strength and solidity to the best materials and modern sixty in the such and pr
