For Cincinnati.-The splendid steamer Allegheny, Capt. Bachelor, will leave this morning, at 10 o'clock, for Cincinnati. This fine steamer has just made her first trip; and all unite in praising her accommodation as superb, and her officers as obliging and gentlemanly.

there were 91 feet water in the canal, and 5 feet 9 inches on the Falls. During the previous 24 hours the river had risen 3 inches. The weather yesterday morning was cold and freezing, with a hail storm; after which there was a heavy snow storm, and last night the weather became intensely cold, and checked the fall of snow.— Louisville Com. 18th.

New ORLEANS FREIGHTS .- On Saturday, or ecount of the inclemency of the weather, we heard of no new engagements. The noming rates were: Plour 50a; Pork 80a; Corn 35c. per sack; Bran, Oats and Bagging 85c; Bacon and Lard 30c; Tobacco 80c; Hemp \$7; Cattle

NAVIGATION .- Since Saturday morning the river opposite has been rising rapidly, and is now in excellent boating order for the largest several lots of produce, lying on the Levee, had to be removed to save them from being washed

At the last accounts, the Missouri was also swelling, and we presume that its navigation is now unobstructed to St. Joseph.

Associate Judges. Judge M'Clure delivered his charge to the Grand Jury, yesterday morning, in which he came down very strongly on tippling houses. The commission of Wm. J. Rose, Esq., as Interpreter of Languages, was read, and Mr. Rose took the oath of office; after which the attention of the Court was occupied by various tippling

house cases. Judge M'Olure sentenced a man who pleaded guilty, in a surety of the peace case, to pay a fine of five dollars, and the costs of prosecution. His Honor gave the prisoner a lecture for indulging in ardent spirits, and thereby disturbing the public peace; and concluded by admonishing him not "to touch, taste nor handle,"

he will introduce a bill, appropriating one mil- fainment this evening, at the same place. lion acres of the public lands to aid in the construction of the Allegheny Valley Bailroad. Gov. Johnston, President of the Company, has returned from a visit to Harrisburg. Several of the Directors have also arrived in the city, among them Judge Buffington, of Armstrong county,

Gen. M'Cullough, of Clarion, and Mr. Wilson, o Venango. We understand that there will be a meeting of the Board of Directors, this evening, when a Chief Engineer will be chosen, under whose direction the preparatory surveys, between this oity and Kittanning, will be commenced.

Justices of the Peace. - The following are the Justices of the Peace elected in the various boroughs and townships in the county, as far as we have heard them: Lower St Clair-Andrew B. Stevenson.

The Allegheny .- This fine steamer attracted a great deal of attention in Cincinnati: every one admired her beautiful and swan-like proportions. What think you, gentlemen, of Pittsburgh boats now? We have shown you two good samples of naval architecture, which the wes cannot beat. They are well named, for they nobly represent the enterprise and ingenuity of the "sister cities," combined in two such boats as the "Pittsburgh" and "Allegheny."

Theatre.-The bill for to-night is an excellent one. The American comedy of "The People's Lawyer," with Mr. Warner in the laughable character of Solon Shingle, and the farce of "A Nabob for an Hour," form the bill of entertain

The Lunetta. - This is the name of one of the prettiest little side-wheel steamboats that we have ever seen; and is now lying at our wharf. We presume she is intended as a light-draught steamer, for low water; and her qualities can be well tested, if wee see as much of the bottom of the rivers the ensuing summer as we did

The Stabbing Case .- William and Andrew Graham had a hearing before Ald. Major, yesterday, from which no further information was elicited. They will have another hearing on Saturday next, and were discharged on ball until that time .-William Graham gave bail in the sum of \$1,500, and Andrew in the sum of \$1.000.

Removed .- The office of Mr. Fleming, Mayor of Allegheny city, has been removed from the building so long occupied by that functionary in our sister city, to Ohio street, between the Diamond and Beaver street.

Interpreter of Languages .- In the Court Quarter Sessions yesterday, the commission of Wm. J. Rose, Esq., as Interpreter of Languages for the county of Allegheny, was read, and the oath of office administered to Mr. Rose.

Mains Liquor Law.-Col. Wilson M'Candless and Alderman Steel are in Harrisburg, attending to the intere sts of the Temperance portion of our citizens, by endeavoring to prosecute the passage of the Maine Liquor Law. Pilleburgh Coal .- We see by the Louisville

papers, that some fifty thousand bushels of Pittsburgh Coal passed through the Louisville and Portland Canal, in one day, on its way to the Trials.—The Jail Calendar shows a total of

forty-two cases to be tried at the present term of the Court of Quarter Sessions, besides which, there are over forty persons held to ball, to ap-

Fire.-About 4 o'clock, yesterday afternoon, a fire broke out in the picking room, of the Hope Cotton Factory, above the Aqueduct, in Alleghe ny city. The engines were promptly on the ground, and the fire put out, but not without onsiderable damage to the machinery; a considerable amount of cotton was also destroyed Voluntary combustion is the only cause that we

we heard assigned. The other Factories immediately on the plarm lismissed their operatives, and hastened to the scene of the fire, and exerted themselves to the utmost to extinguish the flames.

Another.-Last night, at 10 o'clock, there was another alarm of firm, and the horizon was illuminated with a ruddy light, which was caused by a large fire in Birmingham. Miss Martha Loomis, well known to our citizens from her disclosures in a state of clairvoyance. THE RIVER AND WEATHER Last ovening in this city, some time ago, has raised quite a row in Warren, Ohio, by disclosing more than she could substantiate: viz: accusing a respectable citizen of a robbery, which had taken place. But, unfortunately for Miss Martha, the wife of the gentleman in question, was in the room, and defended her "lord and master's" character, in an eloquent manner, and amidst the cheers of the audience. Martha had to slope.

> Protest -The Brawers and Malsters of Pitts burgh, have sent a protest to the Legislature this State, against the passage of the prohibitory Liquor Law, commonly known as the "Main Law." The protest denies the constitutional right of the Legislature to prohibit the sale of manufacture of liquor, and refers to the injury that the capital that is now employed in the malt trade would suffer from the passage of such a prohibitory act.

Allegheny Gas Works .- The Enterprise con tains a despatch from our Senator, Mr. Carothers which states that the bill for the charter of the Allegheny Gas Works, has been signed by Gov Bigler, and is now a law. On the receipt of a copy of the charter, the company will immediately organize, and make

arrangements for a vigorous prosecution of the Drunkenness .- George Deary, David Hill, and David Phillips, were brought before Alderman Lewis yesterday, charged with drunkenness and disorderly conduct. POR THE CURE OF COUGHS, COLDS, I NESS, BRONCHITIS, WHOOPING CROUP, ASTHMA and CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Dr. J. C. Ayer,—Sir: I have been afflicted with a paintful affection of the lungs, and all the symptoms of extiled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "Crimers Personal," which gave me gradual reliof, and I have been steadily gaining my strength till my health is well night restored.

While using your medicine, I had the gratification of extring with it my reverend friend, Mr. Trumun, of Sumpter District, who had been suspended from his parochial states by a severe attack of broachilis.

CHESTER, Pa., Aug. 22, 1816.

I. C. Ayer.—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of lest February, and was consinct to my bed more than two months.—Ceughing incessantly night and day, I became ghastly and pale, my eyes were sanken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath, that but little hope of my recovery could be internaised. While in this situation, a friend of mine, (the Rev. John Keller, of the Methr dist church,) brought me a bottle of wear Churary Parconal, which i tried more to gratify him, than from any expectation of obtaining reitel. Its good effect induced me to continue its use, and I soon found my health much improved—Now in three months, I am well and strong, and can attribute my cure only to your great medicine.
