lubscribers who may change their residence or place of business on the first of April, will be Fround rent. good enough to leave word at the Counting Room to that effect, so that our carriers may know Bridge stock Eria canal bonds where to find them hereafter.

We are indebted to Hon. JOHN L. DAWSON for the Forms and Regulations for the Assignment of Land Warrants and Locations just published by order of the Commissioner of the General Land Office. Such of our friends as may feel interested can examine these forms by calling at this office.

Notes in circulation OUR LAWMAKERS. Reforms commance when ovils are unenduratingent fund ble. In our legislative bodies, state and nation-Unpaid dividends. Suspense account..... Due to other banks... al, the growth of iniquity is becoming so rank, that the cry will soon be universal to out it down. The halls of Congress have become bear-gardens for brates to bait each other; and the property of the nation is squandered and bartered away, through influences which obtain mastery over the honor and integrity of the representatives of the STATE OF THE EXCHANGE BANK OF PITTSBURGH, people. The letter writers from Washing Aug. 4, 1851. without distinction of party, complain of the Notes discounted and loans. imbecility and corruption of our public men, and Rills of exchange.... in their actions we can see no evidence that those United States loan charges are untrue. But it is nearer home that | Pennsylvania loan ... our attention is most called for, and reforms are | Bonds and mortgages most needed. It is a common remark in the streets, that any legislation can be obtained in Miscellaneous...... Harrisburg with money. So little confidence Coin ... have the people in the integrity of the members, Notes and checks of other banks. that when any legislative action is wanted the Due by banks first enquiry made is, " How much will it cost ?" But to whom does this money go ? We do not believe that they are so lost to decency as to be Notes in circulation. so openly accessible. It goes to another set of Due to depositors. Decisionary who manage the wires and play with Due to banks...... legislators who manage the wires and play with Profits. the puppets-we mean the "Borers." These vampyres hang about Harrisburg, and initiate themselves into all the secrets of the members, STATE OF THE MERCHANTS' AND MANUFACTUBERS' and all the tricks of legislation. By menace and BANK OF PITTSBURGH. on the first day of Nov. flattery they control the one, and by finesse and falschood they effect the other. With unblushing November, 1851. impudence they accest every person who goes to Capital stock the Capitol, and if he does not confide all his Notes in circulation .. wants to thom, and pay them in proportion to Amount due to other banks The "Borer" bribed, he then goes to work, and | Dividends unpaid Knowing his men and timing his operations, he Discount and exchange.... gets what he wants, no matter how prejudicial it may he to the public interests. The members are generally too obtuse to understand anything, ple scoundrels who think for them. Pay the State and other stocks ... "Borer" to-day, and your bill is passed; let Amount due by other banks some other one pay him a little more to-morrow, and the act of yesterday is rescinded. And it is a curious fact that the members of the district Real estate, at cost ... will half the time know nothing about the whole matter. If these evils are not abated, all regard | Expense account will be lost for our institutions. We have confidence, however, in the virtue of the people, and. Semi-annual dividends declared on the first as we said, when endurance becomes mendurafuesdays of May and November. 4 per cent. ble, Reform will begin its wholesome operations. Ohis Banks .- From a Report made to the Leg-Men of virtue and intelligence will be selected islature of Ohio, a few days since by W. D. Monto guard the public interests and promote its GAN, Esq., Auditor of State, we compile the folwelfare, and then our laws will be respected .--lowing statement showing the condition of the We think the time for such a reform is at hand. Banks in the State of Ohio, on the first of Feb-If the evils have not yet reached their culminatruary, 1852: ing point, we have miscalculated our estimate of public passivity. We must have less legislation. Notes and bills discounted\$19,241,225 18 A large portion of the business done at Harris-Specie Notes of other Banks burg might be transacted by the County Courts, Due from other banks a bankers. where the responsibility of justice rests. What Eastern deposites does the member from Potter and McKean know Checks and other cash items Bonds deposited with State Treasabout the propriety of opening a new street in urer.,. Pittsburgh ; or the justice of granting a divorce Real estate and personal property to a citizen of Washington county ? But the Other resources. "Borer" tells him the divorce should be granted, Total resources. because the applicant has paid his fee ; and that the street is not wanted, because the petitioners Capital stock. have failed to raise the money to bribe him. I the Press throughout the State would take hold Safety fund stock of this subject, the good work will soon be so-Due to banks and bankers...... complished; and as the Press is the exponent of Due to individual depositors ... Burplus and contingent fund, or undivided profits..... public opinion, we will look to it for the moral fruits which are the growth of an honest and Bills payable and time drafts..... pure sentiment ever abiding with the people. iscounts, interests, &c..... Other linbil Harmonious Whiggery. The American Whig Review, the National Total Habilitles .. monthly organ of Whiggery thus disposes of We observe by another tabular statement; pre-Geo. Scott: pared by Mr. Mongan, that the profits of the "General Scott as a soldier has the universal Ohio Banks, during the year 1851, ranged from Onlidence of the country. His political principles are sound; but we much question his qual-ifications and capacity for the atation to which some of his admirers would elevate him. The exigencies of the time require abler hands and 1851, ranged from 8 to 37 per cent. The Commercial Bank of Cin-climati which declared dividends of 37 per cent., has a capital of \$50,000, while her profits for 1851 wave 1851, ranged from 2155 wave 1851, ranged from 8 to 37 per cent. The Commercial Bank of Cin-climati which declared dividends of 37 per cent. 1851 were 18.599 51 ! wider views. The Detroit Tribune, one of the rush-lights of SHIPMENTS OF SPECIE FROM NEW.
