I AVE inter received an extensive stock of Elegant

I and Beeful floods, consisting of CLOTHE, CASSIMERES and VESTINGS, of the very finest materials, and the most rich and varied patterns. These
Goods have been all selected by the proprietors themselves, with great circumspection. Nothing new or
unique in the time of dress has yet appeared, in the Eastorn cities, that Callaghan & Co., have not secured in
large quantities for their numerons customers. The
whole of this large stock has been rad 202 m casu,
and were consequently obtained at 200 marks. The
public should bear this important fact in mind, insumuch
as it will enable them to purchase at lower prices than
they have been in the habit of paying for their wandrobes at other establishments. This magnifecent stock
consists in part, of FRENCH, ENGLISH and AMERICAN CLOTHS, selected with an eye to durability, as
well as in-beauty. The stock of CASSIMERES is in
perfect accordance with the other, both in quality and
cheapneas, while the rich, and we may say gorgeous display of SUPERB VESTINGS, challenges investigation,
and comes up to the refided taste of the most experienced customer. CALLAGUAN & CO;
