I AVE just received an extensive stock of Elegan
III and Useful Goods consisting of CLOTHS, CASSIMERES and VESTINGS, of the very finest materials, and the most rich and varied patterns. These
Goods have been all selected by the proprietors themselves, with great circumspection. Nothing new or
unique in the lime of dress has yet appeared; in the Eastern cities, that Callaghon & Co., have not secured in
large quantities for their numerous customers. The
whole of this large stock has been part FOR IN CASS,
and were consequently obtained at Low RATS. The they bave been in the habit of paying for their wardrobes at other establishments. This magnificent stock
consists in part, of FRENOH; ENGLISH and AMERICAN CLOTHS, selected with an eye to durablity, as
well as to beauty. The stock of CASSIMERES is in
perfect accordance with the other, both in quality and
cheapness, while the rich, and we may say gorgoous display of SUPERB VESTINGS, challenges investigation,
and comes up to the refined taste of the most experienced customer. CALLAGHAN & CO.,
