SATURDAY MORNINGS BATTER APRIL 24 LAST NIGHT, when coming to our office at 7 o'clock, we were surprised to hear from our pressman that there was no water in the pipes lance, not to take any thing but bread and wa to supply the bollers. This astonished us, inas. | ter, for ten days. much as the Superintendent of the Water Works published the following very special notice on Thursday morning: Notice to the Citizens of Flitshurgh.
Notice is hereby given, that in consequence of the Vigrest illoud of water incapacitating the machinery of the Water Works, like citizens can only be afforded a supply of water commencing to day between the hours of 5 and 8 o'clock. A. M., and 4 and 5.0'clock, P. M. The u-unisapply will be given as zoon ma possible.

spring JAMES NELSON, Superintendent.

There may be unforseen causes that have prevented the Superintendent from giving even the longing to the estate of Boss Black, deceased, to meagre supply he promised, but he should at take place to day at 2 o'clock. The lots are sitleast have given those interested in the matter nated at the mouth of Liberty and Water streets notice that he could not perform what he had in the immediate vicinity of the Pennsylvania intended. Had we been so informed, in time, Railroad Depot, &c. There are none better for we sould have had water hauled from the river, business purposes in the city—terms reasonable. but as it is, we will have to go to press with a half supply, and issue, to a great extent, half a

Land Sides. The recent heavy, rains in this icinity, have caused a great number of land slides, to the injury of property and the stoppage of the public highways. . Coal Hill, opposite this city, was the scene of an enormous avalanche on Thursday evening, some bundred yards below on the side of the hill was noticed to be moving on Wednesday, and preparation made for it-on Thursday evening, about six o'clock, the large mass moved down the hill, carrying with it a stable, located a short distance above the road, and came down with great force on the vial manufacfory of Lorenz & Wightman, nearly destroying it, and the mass of earth then effected a lodgement, until it shall be started again by a further rain. On Friday morning, the chimney of the vial works fell, and some combustible material in by Mayor Guthrie, yesterday, for vagrancy, disthe cellar caught fire, and what the land slide left was destroyed by the flames. The loss of the gentlemen who owned the establishment, will

be between four and five thousand dollars. The large window glass manufactory belonging to the same firm, lies in a very dangerous sitnation, and in case of a further slide, their given of the time and place of lecturing. Works will be overwhelmed. The stable carried down by the slide, lies on the side of the bill and it would take but a little impetus, to send it into the road. -Both property and life are endangered by the present situation of the mass of moving land now lying above the glass works. The slides on this hill, have torn up large trees by the roots, and brought large pieces of rocks with terriffic force down the hill. v One Tennessee river trade. place we noticed a slide, by which a large log had carried away one end of a house, leaving the othor part uninjured. The coal railways, in several places, have been totally swept away by the slides on the hill. Further damages are expected, in case we should have more rain, before the

earth becomes properly settled. A portion of Seminary hill, in the First Ward in Allegheny city, alipped down, and lojured for twenty-five hundred dollars. some houses. Fears are entertained that further lojury will result, as the hill is cracked in seve-
