IIT IMPORTANT TO THOMA APPLICATION WITH HARMA OR ROPPURE—The Invention of Dr. Horsand's Tress has rendered the cure of this dreadful disease a matter of perfect certainty; and the man who will, now allow a Hernia to proceed until a condition of things is produced that nothing, can alleviate but the knife of a skilful aurgeon, is wholly inexcusable. A rupture in its ordinary form, may, with propriety, be left to the person afflicted and the truss-maker; but to go as many persons of the condition of the afflicted, there is one renders the case perfectly unmanageable, and leads to what is termed Strangulated Hernia, which often has no relief but in a surgical operation. In the Trust to which we firnyite the attention of the afflicted, there is common use. It is perfectly comfortable, and can be made to fit any case of Hernia with an exactness and equableness of pressure that does not belong to may other instrument with which we are sequalized; and will retain any rupture with case and comfort to the ware. 1 D. Park—Dear Sir. I take the liberty of advising you of the benefit I have detived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostricted by that terri-le scourge Coasumption, in Maylast. The attack was truly horrifying to me. for five of our family (my brothers and sisters) had died of Consumption. I was sufflicted with nearly all the worst calaries of the disease. I had a distressing cough, and expectorated a great deal of blood, heath feveral and eopiqua high twents.

I was under the care of a skilful physician from the time I was taken sick until about six weeks since, being then about helpless, and my friends considered my case hopeless, or at least beyond our physician's skill, advised the was of Wistar's Balsam of Wild Cherry. Without my knowledge my fathet procured it and commenced administering it to me. and from the first day I commenced taking it my health improved, and in two weeks I was able to be out and oversee my business, and labor, which is still continue tade. I have taken four boutles of the medicine, and now consider myself perfectly well-out the medicine and now consider m

ANOTHER ASTONISHING CURE!!

RUSHVILLE, Fairfield eo, O, 1851.

Mr. J. D. Park—Dear Sar: I wish to state to you that my daughter Amanda, aged 16 years, had about a year since a very sevate attack of measles, which reduced her very much, and left her with a racking cough. I employed all of the physicians within our reach for the purpose of removing her cough, but without success.—She appeared to be sinking into a decline, with every. by daughter's receivery. But I providentially saw the certificate of Jonathan Coulson, whose daughter, Sarah Jane, was curred of Consumption by Wister's Bulsam of Wild Cherry. This created a faint hope, that it high help my daughter, and I immediately commenced using it, and it almost instantly gave relief. Her health was improved from the first bottle, and by the use of two bottles of Wister's Balsam of Wild Cherry she was reserved.
