Meeting of Steamboat Men at St Louis. Alarge meeting of the owners and officers of teemboats engaged in the trade of the western waters, was held at St. Louis on the 1st. inst The following committee, all practical men, rere appointed to report resolutions for the consideration of the meeting: Capt. Richard Phillips, Samuel Gaty, Esq. Capt. D. Embree, Reuben McCord, Gen. N. Ranney, Capt. G. W. Sparhawk, and Capt. Morehouse. The Committe made a Report, which we are sorry is to long for publication in our columns. The Report is a reference to the that a State tax of only three fourths of a cent new Steambont law proposed to Congress and we give a recapitulation of the amendments pro. posed by the meeting. The committee takes up the Law in detail and report on, every section It proposes the following alterations and additions to the present bill. Sections two and three, less detail. Section four, leave out "life boats" and insert ubstitute, which will supercede section five. Section six, allow small quantities of powder o be carried under restrictions. Prohibit carrging loose or uncovered hemp. Section 7th, third division .- Test boilers

100 pounds per square inch above the pressure allowed to be used. limit present boilers not to carry more than 160 pounds to the square inch, and on engines bereafter to be built not more than 180 nounds to the square inch. Section 7th requires a test value. In boilers of common construction, hereafter to be built, flues shall not be more than fifteen and a half inches in diameter.

Inspectors not to sanction small openings fo steam or water, small tubes exposed to heat, nor small spaces between flues, they shall require 18th, MaxwellM'Caslin that fire lines be kept below the water lines in noilers. Cantains for boats hereafter built or purchase o undergo a strict examination, and if passed be icensed to command beats. Strike out 29th section of the bill allow ow

iers or officers an appeal from inspectors, to board of supervising inspectors, or the supervising inspector of the district. In page 11 of the bill, line 165, strike out "or In section 27th, strike out "ohlef engineers" and "engineers."

In section 9, add an exception in cases of sulp wreck, &c. In section 28th, confirm "pilot rates" of the them, great and small. But there are some in West, add to them two sections. We would add, that "No Captain, Pilot, En do in a good-natured way, who are carping at gineer, Clerk or Mate of any steamboat, while our article, and are stating at the street corners, said boat be under way, shall drink any alcoholthat we have purposely stricken from the list of ic liquor, so as to become under its influence; whig aspirants the name of Josefu Krox, Esq. nor shall any officer aforesaid, at such time, This is gross injustice to us, and in nowise crm- play at any game of cards, or at any other deplimentary to Mr. Knox. We intended a highly vice or game of chance whatever." "Habitual drunkenness or gambling either or so, of course; for we do not like his politics; but | board or on shore, shall be goodcause for revok we were assured by one who understands the ing a license to any steamboat officer."
