## Daily Marning Post

TUESDAY MORNING......MAY 11: svening, was well attended by a discriminating and family, Pittsburgh," and from appearances and family, Pittsburgh, and from appearances and family, Pittsb tainment of Mr. Dempster at Lafayette Hall, last | hotel, and registered his name as "J. C. Bolle | the expression of the feelings in postry, enhanced day, the next day, nor a week after. The lady by melody; and instead of embodying in his mu- wishing to return to her home in Pittsburgh, the sic vapid sentimental sough, he unites good muele to the words of our best poets. Mr. Dempsler is unaffected, and pleasing in his style; his explanation to Capt. Logan. Capt. L. generousintonation is clear, and enunciation distinct. - ly furnished the lady with a passage to Cincin-The most beautiful performance of the evening nati, and there he stated the case to Capt. Ban was his own cantata of "The May Queen," Tennyson's exquisito poem; it was a fitting plece to
close an entertrainment, so effective on his audicharge. ence, and one which cannot be otherwise than

productive of good. Mr. Dempster gives his second entertainment this evening, at Lafayette Hall. Let every one who has a desire to hear the sweetest vocal musio attend. No person can hear those beautiful ballads sung in the manner in which Mr. D. executes them, without going away a better and wiser being.

day, Mr. H. Kleber called us in to show us the Piano Forto purchased by Capt. Robirds for his years, but to cease if the city at any time before the expiration of said term of seven years causes new mammoth steamer." John Simonds." It is Water Lane to be paved. a full seven octave Plane from the unrivalled factory of Nones & Clark, New York. The forniture is resewood, superbly carved in the style cils, a communication was read, on Thursday of Louis XIV, and embellished on the lid with a evening last, from the President of the Allegold plate and the inscription, "Presented by gheny Valley Railroad, in which the Directors John Simonds, St. Louis, Mo." This noble instrument is provided with Coleman's patent Æo. cils to subscribe \$400,000 to the capital stock of lian attachment, with tunable reeds, of the sweet. said company. On motion it was referred to a melody, when added to the sonorous tones of the | committee, in the Common Council. Piano, forms the most delightful musical combination imaginable. The cost, including stool cover, etc., amounts to upwards of \$700. As Mr. Kleber intends to ship it off in a day or two, we would advise the admirers of such articles to call and examine the same before it leaves.

The Susquehanna.-The damage to this steamer does not appear to be so serious as the telegraphic accounts led us to believe. None of the timbers of the stoamer were injured, and the only damage in the hull was the burning of about 3d Ward; and Jas. Graham, 4th Ward. twenty feet of the fore and aft bulk head. The Cincinnati Commercial states that after being several hours submerged, in ten feet water, on being raised some of the cotton was found to be ed home yesterday morning. Mr. Robinson has still on fire. Great credit is due to the officers for their coolness and gullantry. The susque- neting business connected with the rallroad, hanna was up for this city, and was loaded with cotton, sugar and molasses, consigned to differont merchants bere.

Attempt to Kill -On Saturday night, about 11 o'clock, a young man named Thomas Jackson, passed over his limb. He was carried home. enter d the grocery store of Mr. Thos. Monahan, in the 8th ward, and attacked Mr. M. with a avail, while he defended himself with a club.-After some trouble, Jackson was taken to the tombs, and committed to prison, on Sunday morning, for a further hearing. On Monday he was brought before Mayor Guthrie, and, aftor a hearing, committed in default of bail.

Torn Down - It 's fell at last. The steeple of the old Court House has come to the ground; that wiich has proved so long an ornament; that landmark which has guided many weary travelers, in days gone by, to ourcity; that building, Which has heard the eloquent pleading, the profound opinions of our ablest jurors, has at last

found opinions of our ablest jurors, has at last found opinions of our ablest jurors, has at last found opinions of our ablest jurors, has at last found opinions of our ablest jurors, has at last folia victim to the insatiable desire of improvement. The attack on its venerable walls was commenced yesterday, and before night, that steeple had fallen to the grannd.

New Plank Road—A. B. Gurling and Joseph Clitart, have secured the contract for finishing the Farmers' and Mechanics' turnplike road, from the point where it is now laid with stone, on the Pourth street road to East Liberty. They contract to lay the romainder with plank, in the most desirable manner, This will give us a most splendid drive, between this city and East Liberty, and the road will undoubtedly prove a DUTATUES—200 una Prime Red Pointoes, in store to the point where it is now laid with stone, on the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the point where it is now laid with stone, and the provided provided the provided that the provided the Liberty, and the road will undoubtedly prove a

A bill in chancery was filed in the Circuit Court of the United States for the Eastern Dis-BY THE GREILLY LINE. XXXII CONGRESS-PIRST SESSION.

WASHINGTON, May 10. Senare.—Mr. Mallory offered a resolution di-recting the committee on Foreign Relations to ndge Kane. such a provision. The Resolution was adopt

The Senate then took up the bill granting land to Florida and Alabama in aid of the construc-tion of a railroad from Pensacola Bay to Mont comery, Alabama. The bill was amended so as o agree with other similar bills.
Mr. Morton moved an additional section, gran-The bill granting land to Illinois and Indiana.

from opposite Louisville, Ky., to opposite St. Louis, Mo., was taken up, amended, and ordered to be engrossed.

The bill authorizing Mississippi to sell lands, appropriated for schools in that State, was passed.

The bill granting land, in Alabama, for the Girard and Mobile Railroad was passed. The Deficiency Bill was then taken up. Mr. Made opposed the amendment giving aid to the Collins' line. During his speech, Mr. Wade said, there was no noise and confusion in the

Senate, and he desired to know from the Sena-

tor from Michigan whether he would vote for a

ike amount for the improvement of Rivers and Harbors, in the west, and whether the west could depend upon his vote, at this session, for such a bill. Mr. Cass said his views upon this subject had been made known at the last session of Congress He would vote for internal improvements with items examined and reported from the war department, provided the expenditures were not unreasonable. He was not for establishing a great system of internal improvements, but there great system of internal improvements, but there

were rivers and harbors for improvement for which he would vote. Mr. Wads resumed and spoke of the wants of the West. He said that for one he would not yote another dollar for the benefit of the interests of commerce on the Atlantic until some design was manifested to ald the commerce of the West. of Interest." The powerful drams of "The Six Inland commerce and the foreign Degrees of Crime" will be produced in a few commerce. Nothing had been done for the West enquiring if the complainants counsel thought it for sixteen years. Everything desired at the continuous enquiring if the complainants counsel thought it worth while to proceed any further; that it seem worth while to proceed any further; that it seem East for the advantage of commerce was freely iven. Docks, navy yards and such like were stablished on the Atlantic and Pacific coasts, and commerce. All kinds of enterprises for After some discussion the court said it was but not a dollar was given for the benefit of in-

foreign commerce were readily given, but no-thing whatever could be given for the West.— was one in which an injunction could not be aling a monopoly and as building up one branch for the family and as building up one branch for the family and the expense of all others.

Harding, a f navigation at the expense of all others.

Mr. Bayard followed in support of the amendthe defendants, Henry M. Watts, and E. M. ment, after which the Senate adjourned. House The House took up the Homestead bill. The pending amendment to strike out the provisions giving Homesteads free of cost and nserting 25 cents an acre was rejected.

The first section of the bill was finally suffer-

d to remain exactly as it was when the bill was introduced, after repeated attempts to amend it and is as follows: That every man and widow, the head of a family and citizen of the United A letter received by the Europa states that States shall, from and after the passage of this Capt. Floyd, of the steamer Washington had rethe head of a family and citizen of the United act, he entitled to enter free of cost a quarter covered and would return in command of th section of vacant and unappropriated public steamer.

are several substitutes for the whole bill, however, yet pending.
